# DEAD SEA SCROLLS

*Unarguable proof the Bible is our history...*

Qumran - where the scrolls were found - on the banks of the Dead Sea - obviously - Israel

Caves where Scrolls had been stored for 2000 years

Sealed jars they were stored in

Place where they may have been transcribed

**P.S.** Even though all texts referenced support “hyperlinks”, please look them up too in your Bible and underline them as a record for the future, plus you can verify I have not taken them out of context - very **important!**

# INTRODUCTION

There are two things that mark the importance of January 1947;

One - the year and month that marks my birthday, celebrated every year for some 69 years by now, where has time gone.....

Second - it is the very month and year the Dead Sea Scrolls were found, in a cave (See above) near the “Dead Sea”, of course.

In that cave, preserved in mostly sealed earthen jars, were found hand transcribed copies of the Holy Scriptures, most were “*God preserved documents*” no doubt, that have been handed down to us from the ancients, dated to be as old as 2,150 years, as of 1947 AD.

That dates them back to the year 200 BC ±.

That’s “196 years before the Messiah, of the Christian world, was born” in 4BC.

A larger portion of “a book of the Bible” as found in 1947AD  
Most were fragments, yet enough to “authenticate our Bible of today”

In those manuscripts were found enough evidence “that proves” the scriptures we have of the “Old Testament” writings, in the modern Bibles we hold in our hands today, agree with those copies of the ancient manuscripts.

Verifying once and for all the scriptures we have today; “are at least as old as those manuscripts” from 200BC – (In common terms “BC” means “before Christ”).

Thus both; “today’s Bible and the Dead Sea scrolls”, prove each other as Gods history “transcribed from His hand as it were - through His patriarchs, prophets and kings”, who then passed them down “religiously”, and that’s an important point, because, they were inherent witnesses of God by virtue of their ancestry alone, and, this argument I’m going to prove hands down with even greater evidence.

In other words; the religious men of God wrote and handed down the story of the one and only “God” – “the Creator God of the universe”, whose existence “in reality”, was held sacred (religiously so) from Adam 4004BC to 200 BC, and, thusly so: they are (the Scriptures) the story of mankind, “that none doubted” who believed in God, clear up to the 17<sup>th</sup> century AD mind you (“AD” means “After the death of Christ” in common terms).

The famous Moses, of the “Ten Commandments” notoriety; began to document those records during the Exodus, of the accounts that had been “religiously” repeated from Creation and then compiled to his death, “as mankind’s history” as passed down to him by his predecessors, of whom, “each one”, including Moses, had themselves personally encountered

the “One God of all Gods”  
who was known incidentally  
by all the present Intellectuals  
we are going to discover  
both religious and not.

Especially of course by those who saw Gods hand as He dealt personally with mankind, before and after the flood, and it just makes sense that all who lived beyond that time, would know of the eye witness account of an event of “such magnitude”, well, it would be simply unforgettable, “despite the many years” as it is today, since that account is found in nearly every population worldwide.

Why?

We know, and tell of them even today, in the movies, right, and it doesn't matter either, whether we want to believe them or not, they are a part of our history “undeniably so”, especially the flood, because, as I said, it is accounted for in just about every language group and tongue known today across the world. They all speak of this cataclysmic event (Search [www.amazon.com](http://www.amazon.com) “Animal Stories Ancion” for a real eye opener) especially if you have bought into the latest lie that our history, including mankind, came out of Africa billions of years ago.

What many do not realize, according to the real history; “there were only three generations” of the families who passed down that history of the Creator (world history mind you) before the flood.

Here is the abbreviated account; “Adams” son “Seth” lived and overlapped with “Noah” who, of the eight that passed through that flood, witnessed mankind's history before and after.

So the story of the flood as well as “mankind's roots, and the reality of his Creator” was known “first hand” as it were by “Noah”, who, got it straight from the mouth of Adams son, who got it straight from the mouth of his father “who saw (or realized) his wife was a created being like himself (not as a monkey but a complete thinking being, and God forbid not as an “ameba” that evolved over billions of years. Read my [book!](#)).

So Adam had no doubts “naturally so” God was his creator, because he interacted with his Creator, and his mind “was not the mind of a monkey, but a mind next to angelic, as was the Messiahs, just a little lower ([Hebrews 2](#)) was man created.

Noah himself was called personally by God to carry on His (Gods) history to the new world, via the flood, and He did so by word of mouth.

Noah then passed that knowledge down the line to Abraham, who passed it down to Moses (Raised an Egyptian, but a Jew by descent – thus well informed), who then passed it down to Daniel “via scrolls”, and it was then “in that age (5<sup>th</sup> century BC)” that all the past history, as well as the future history, both of “Gods lineage” and “contemporary mans lineage”, was being recorded and preserved for posterity, one on parchments the other on stone.

Even though there were records that pre-date that age, (back as far as (2500± BC), it was then in that beginning age of Empires, “that the World Societies” began to form, each with their respective history, and those records (on stone and scrolls) were on the shelves of “the kings of the society ruling in those years” as well as the shelves of “the followers of God”.

In the mid to late 1800’s (AD), many archeological discoveries were unearthed proving the dates and events that took place in those years as actual, and in the city of Nineveh alone (today being destroyed by ISIS “Satan’s cohorts” to try and destroy all accounts of our past especially those of God), in the city of Nineveh alone; some twenty thousand tablets of stone were found in just “one kings library”, that told the story of man’s descent derived from both “contemporary and religious” events alike.

Mixed in of course were the many myths that had been created by the degenerate ancestry of Cain’s race, set to pervert and destroy anything that has to do with the real truth, and, so it is today, and we wonder why the world

is in such kayos and perversion when that history has also been passed down to us for discovery.

**Isn't that strange that they found all that history in one place, or, isn't it "God trying to tell us something today" as these facts reemerge?**

CREATION TABLETS

FLOOD TABLETS

SODOM & GOMORRAH

“Gods history” has survived “intact” primarily;

One - because God has obviously seen fit to keep it for mankind’s sake”, and two - “because it was handed down religiously by men chosen by God to do so”, and they did it “in respect of course to the One God, their Creator”.

So, Gods Word, our history according to Him, was meticulously hand copied word for word, verse to verse with religious scrutiny, and after many years, and the inventing of the printing press, it was eventually canonized into the Bible we hold today (15<sup>th</sup> century AD), and, as “the Dead Sea scrolls” have shown us “it is the preserved word of God”, and, really think about this and the following;

“If, these compilations are the story of God, of which they are no doubt as we will see even more clearly, don’t you think He (God) has seen fit to preserve it - as it truly was”?

We are talking God here friend, so, do you not think He has seen fit to not let it be perverted and lost in time, as it has always been under the attack of the enemies of God from heaven to earth, and furthermore get this;

We know for sure the Dead Sea Scrolls were transcribed some 196 years before the Messiah came to the earth, and the Messiah was the focal point of His church, being the “One” God would send to save mankind from evil, who they, religious mankind anyway, had been looking forward to come since Adam (for 4205 years), and, get this now; “who came incidentally according to Biblical prophecy in the very year predicted by the scriptures”, and, (an important point) who came as God’s Son, who then; verified (and testified – left a testimony) to their validity as Gods Word, as His history, as mankind’s history according to God.

Did you catch the significance of that?

If you can see it; that’s a double blinded test of the Scriptures authority “as Gods Word preserved”, and we can take that to the bank as well, say no more.

I could stop now, but you still aren’t 100% convinced yet, or figured out what I’m leading to in this, in seeing the importance to our salvation in this, so we must add more proofs for you to be “holy” convinced, but “you will be” Luke, “you will be, I promise!”

Certainly, since God was the author and maker of the history of mankind, yes, of course He would preserve it, and if for no other reason than “for our benefit”.

However, I’m sorry to report, the scriptures throughout time, by Gods enemies, has always been under assault, and even the churches God

established; first the Jewish and then the Gentile through Christ, both have attempted to alter it, and the latter having done so during the Dark Ages, “rightfully called”; when the authenticity of the Bible was nearly lost in that long stretch of time (1260 years to be Biblically accurate), not only by perversion of those scriptures, but by men wanting to actually burn it out of existence, and it’s followers as well, burned “at the stake”, to remove them and their testimony out of existence ([Rev. 12:10-‘11’-12](#)), and friend, that nearly happened (See [www.mosescats.com](http://www.mosescats.com) “Revolution” for details)

But God; hid His followers during that long dark period ([Rev. 12:14](#), 1260 prophetic days = 1260 years), God hid them (as he hid Elijah and the prophets under similar circumstances – [1 kings 19:8-10](#)), and those faithful (His church “symbolized by a woman in prophecy”) those faithful, that were hidden by God during that long Dark period of religious persecution and scriptural perversion, were the preservers and transcribers of God’s word, (as well as were the Dead Sea scroll people), they were hidden away by Him in the mountains of Europe from the enemy ([Rev. 12:16](#)), but in time as God set, “that enemy was put down” by His “predicted intervention”, and friend, ***in the very year predicted*** of course ([Rev. 13:3](#), 1798 AD).

After that time, the Beast (So-called) being out of commission; His people (the last day remnant church) could now come out of hiding, after that prophetic and historical year of 1798AD, His church, being those who were still carrying His true unadulterated Word (the Holy Scriptures), that people (church) were then able spread the Gospel message, and, even though today, as the beasts deadly wound was healed in 1929AD (“her full power has not yet been attained” as described in [Rev. 13](#)), Gods faithful (remnant people-church) “to date”; has carried His Word out into nearly all the known world. (Just as John saw it going in prophecy [Rev. 14](#)).

Thus the Gospel has been passed down to us, present mankind, just as His Word had been passed down throughout time; from Adam to Moses by word of mouth and by “unchanged” documentation from Moses to now, by “all the religious believers of the One God, the Creator God, who gave us all (Mankind) life, and thusly God has preserved that life” as only He can do, along with His Word (the everlasting Gospel) “the holy Scriptures”.

Man certainly has no power to do so alone, and he has shown his inability to preserve anything without polluting or destroying it, and as far as preserving life itself “especially life beyond the 100+ years or so we’ve been given”, thus, never will any man be able to sustain “life beyond death - despite the hype”.

Naturally then, man cannot promise us what the Creator can; and that is life eternal beyond death, as we once had in the beginning at creation.

So, Let us ask ourselves the big question then;

“Is Gods story, as found  
in the pages of the Holy Bible,  
creditable or not?”

Sir Isaac Newton, the Icon of “the real Scientific age (not the theoretical one)” thought so, and he expounded upon those scriptures, and especially the ones dealing with prophecy (Daniel and Revelation), and listen;

“If there was anyone who could prove the scriptures are nothing more than “myths” and in any way suspect, it would have been him.

Would it not?

For he saw enough of history, as passed down to his time, to make fair judgment in comparing Gods prophecies to that history, as to whether Gods

Bible was an accurate account or not, obviously inspiring him to write a book about it; not to destroy Gods word through prophecy, but to preserve its credibility, and, as we will see “exposing Gods enemies in doing so.”

His tomb in the prestigious West Minister Abby

Sir Isaac Newton's notoriety is well known in the contemporary and scientific realms but not in the religious - why?

This then is where the Dead Sea scrolls come into play, (as if I haven't given enough evidence already), this is where the Dead Sea scrolls offer us unarguable proof “as evidenced” by Gods prophecies.

Prophecies that have been known, or at least have been available to all functioning societies throughout the ages, proving “the Word of God has been preserved” despite its many enemies over the log years man has been alive.

Enemies of the Word trying to prove they are myths etc. or mean something other than what God is really saying, enemies both individually and corporally, scientifically and yes, religiously as well, making the false churches then “naturally” the most guilty and powerful over the many years.

She first tried to prove the scriptures, especially the ones about her, otherwise, but when she couldn't, she tried to eliminate the Bibles by burning the word away (French Revolution), or extinguishing the testifiers of the Word through persecution, some by fire also (Reformation), but when this strategy backfired she simply perverted the word and especially the prophecies of God and made them of no effect, even changing Gods Covenant to make herself seem godlike.

Just as she and her protestant converts are doing today, and yet, while still claiming to believe scripture and the parts of the old testament that agrees with their doctrines, but mostly by using the new testament Bible as the only Word of God she can confuse the truths, and thusly by not following the Bible as a whole "Old and New" she/they can manipulate Gods words, which define Gods ways and not theirs and their traditions, thus, as we should all be able to see, the Bible has "no effect for them or their converts", and really friend;

Haven't we ever wondered why there are so many claiming christian (so-called with small "c") religions out there? Each saying something different from the next, and none speak for God "as God would have them speak anyway", especially the one "who most of the prophecies point to as the original religious perverter of God's word, the Abomination of desolation spoken of by the Messiah" ([Matthew 24:14-15](#), thru Daniel "His" prophet).

This power, this perverter of Gods religion is the desolater "if just of the scriptures alone", just as the scriptures, we are going to see, expose her to have been, giving as well all of "her earmarks" that define her as being the "666 Beast of prophecy" ([Rev. 13:18](#)) who, get this now; "has daughters of her making" ([Rev. 17:1-5](#)).

Please stay tuned it's just getting interesting, well, at least it is to me every time I think about this history, Gods prophetic history given in advance, and

equate this subject to things pointing to the reality of God, including such things as “the Dead Sea Scrolls”.

Sir Isaac Newton found the Bible interesting as well as we will discover, so, maybe I can stimulate you to feel the same way about our creator God and His Word?

His Word, found in His Holy scriptures, the Cannoned Bible, is our story, the worlds story, the story of our beginnings, of our present state “and our future possibilities for eternal life.”

If that doesn't stimulate you to want to know more you may as well go back to your false religion or your favorite fiction book and movies that have no future just a fake one.

NEWTON, ALSO SAT UNDER THE APPLE TREE - OF GODS KNOWLEDGE  
AND IT WAS THE RIGHT TREE!

Those discovered scrolls in 1947AD, lying hidden for so long, give us a clue that prophecy, “as studied and expounded upon, verifies and establishes who

“the Beast of Daniel and Revelation was and will be”, and this having been done so by one of mankind’s greatest minds (save Christ) Sir Isaac Newton in the 17<sup>th</sup> century AD, who of course, lived long before the Dead Sea scrolls were discovered, thus it was “by faith alone in the handed down scriptures”, he held in his hand, that “proved to him at least” that those ancient scriptures, essentially the prophecies tell us; “the story of mankind, not only past but future”.

Those prophecies were given by God for us, as well as him, to know and understand, especially those of us here in the end of time, ([Daniel 12:4, 8-9](#)) so that we can know who our enemies will be, that is; “who Gods enemies of truth would be in advance” so that we can steer clear of those deceptions that will accompany the end times ([Mathew 24:4,5, 11-15](#)), and that’s why Newton wrote His book, and all we need is one or two pages from it to discover the real truth of the 666 Beast, that Abomination of Desolation as God’s word has exposed!

Exposed for those that is “who really believe on Him (God as our Creator), He shows them who the real enemies of “the true religion” are, “through UNCHANGED prophecies” as the one He gave (about Himself) to our first parents telling of the Messiah, mankind’s Savior to come ([Genesis 3:15](#)), and then He built upon that faith throughout history (through His prophets) through promises and warnings, of the events and deceptions that can, have and will affect His people throughout the ages, and, those same messages (via the Old and New testaments), those same messages will be given “unchanged” to the last faithful one standing at the second coming ([Matthew 24:21-24](#)).

Thus it is, and the effort of this writing, as Newton confirmed, it is through “Biblical Prophecy” we will find “that the future of man has already been written by God”, and is available for anyone who can read, and as the leaves

of autumn, it can be found falling today on every nation, kindred, tongue and people throughout the world as no other book nor history “has” nor ever will be, and, as the flood was sent to the antediluvian world by Gods warnings thru Noah that “the end of the world was coming for them”, ([Matthew 24:24-](#)) and it came just as God said it would, and that history; centuries of years later mankind still knew of that destructions reality, and those records, found not only in Gods Book “but also on mans” (stones we saw above), preserved so that mankind “can be sure God is our creator”, and His warnings were not just given for mankind past, but to future mankind as well.

He has given warnings to us of another end of the world event to come, and all the reasons why, and He tells us who the players are that will cause these events leading up to that final destruction, exposing all the enemies, the deceptions, the false prophecies and false religions, the corruption of Gods religion taking the minds away from His Word and filling them with traditions and false doctrines, which will even take His elect out if possible we just read ([Matthew 24:21-24](#)), leaving only a remnant that will pass through the dark times ahead because they held on to truth as it is in God, and thus, for the same reasons that caused Him to destroy the first world, unbelief, disobedience leading to sin, now deceptions, this too will be the cause for the second worlds destruction, and these warnings have all been written down for us through prophecies so we not be lost.

So take heed, know His prophecies as He has given them ([Matthew 24:1-15](#)), and know why He gave them to “us” as our warning, for those **dark days** like in the past are once again upon us, and our only safety will be in “His truth” as witnessed by the Messiah through His true church and not the false churches, the false prophets, teachers, false religions with no light left in them running rampant today deceiving and being deceived ([II Timothy 3](#)).

<sup>18</sup> *Take heed therefore how ye hear: for whosoever hath, to him shall be given; and whosoever hath not, from him shall be taken even that which he seemeth to have.*

Luke 11:35

*Take heed therefore that the light which is in thee be not darkness.*

This scenario of an end time warning has played out before, even after the deluge, leaving us an example of what could save u nows, as mankind, once again from “our end time event to come as predicted”. (Search [www.amazon.com](http://www.amazon.com) ancion/Jonah and the Whale).

BC time ← Year “0” → AD Time

### THE CRUXIS OF TIME RECKONING

Just as the cruxes of the Ages we have set, in our way of keeping track of time and history, that cruxes was “when BC turned to AD” and the zero year was instantaneous. (meaning: in reckoning time from one age to the next “ the year zero is not counted).

This in itself, witnesses of the reality “of the age of the Messiah (God with us)”, who having been destined to come, came and showed us what God is like in the flesh, and confirmed the many records of His reality that were made being His Testimony, which is ironically ([Rev. 19:10](#)) “the Spirit of prophecy”, thusly exposing and fulfilling “for us” the many prophecies that were fulfilled by and thru Him for the church, for mankind.

So has God warned us through prophecy, to the many generations now “beyond His death”, that a day will come when man is faced once again with life or death, by another cataclysmic event, this time however; “complete

destruction will ensue”. Not as the flood leaving a remnant, or as Sodom and Gomorrah left a record of complete eradication, or as Nineveh who actually escaped their doom, this end to come; will be “the end of time itself”, and the end of human life on this planet. ([II Peter 3:1-](#) )

Until that is, it is recreated once again over the ashes of the old, ([REV. 21](#)) “but” this time; it will be inhabited by men and women “recreated and rebirthed who have willfully honored God with their life in obedience to His will” ([Matthew 7:21-](#)), when all, in unison then, with the rest of Gods universe at large, “when all will consciously never again allow sin and death to raise its ugly head again for ever and ever”.

Why and how?

For we all will have chosen **consciously** “the life He has shown us as our eternal reality with Him”, or if not, we will have chosen consciously the death evolution tells us is our end for ever and ever?

I pray these little hidden proofs that I’ve discovered, I call “New Revelations” as I’ve subtitled this book, (but in fact; they are old revelations and prophecies), I pray that they will show us, no, convince us “undoubtedly and categorically” that; “God’s Word can be trusted as the Truth, and are; “in reality” our past, present and future, answering the burning questions we all have asked;

**“Who are we,  
where did we come from,  
and where are we going  
as human beings.”**

# The DEAD SEA SCROLLS

*Predicted the future?*

The thing that makes the Dead Sea Scrolls so important to us, that is, if you didn't get the hints I've already given; are "the prophecies".

The ones we've just briefly looked at that set the stage for deeper truths from the Word of God.

DEAD SEA SCROLLS CONTAIN THE PROPHECIES

SO DOES THE BIBLE - THE "SAME ONES"  
IN BOTH OLD AND NEW TESTAMENTS

We are going to discover that; it's when we think about those prophecies **that God gave about the future, the ones given both "before 200BC" and then the ones after**, considering too the fact that; all of those prophecies have come true just as God predicted - 100%" we can't but help to see the historicity of the Bible, because we now know "the Bible we hold in our hands today matches the one transcribed in 200 BC "as it has been proven to do so", leaves us to only conclude;

The prophecies given before the year 200BC,  
that had to do with the years after 200BC",  
either came true, or they didn't  
according to the Bibles predictions?

We've briefly described friend, the historical facts and have already seen them in part, and listen, you can look them up yourself it's that simple, anyway, since most people will not take the time to do so, we are going to do just that "in even more detail";

For It is a fact from history, as we are going to see in detail, "All of those prophecies God gave concerning the future up to our time have all come true every one right after the other – 100%", and all given well in advance of their fulfillment.

Especially and including the prophecy concerning "the Messiahs appearance in time" ([Daniel 9:24](#)). According to that prophecy the Messiah was to be anointed at the explicit year (date) given, and; "He was" right on time!

Anointed by Holy Spirit thru baptism in 27AD, "in that very year", just as God gave it to Daniel thru prophecy 565 years before "He" the (Messiah) came to the river Jordan "right on time".

Another prophecy tells us of the rise of the forth beast, or the fourth World Empire (Rome) as shown to Daniel, and that 4<sup>th</sup> kingdom we know "historically came into power in 168BC", and as Daniel was told it would be the last "world controlling empire" to rule the earth "under one head" ([Daniel 2 & 7](#)), and listen; "God said it and we haft to believe it" right, and listen closel; even if we don't believe it "it's a fact from history to date, that no kingdom, country, empire or power has ruled the world ever since Rome", and we can look around and into history and see obviously none have or won't, "despite the movies and the theological theories" as I call them, the "left behinds" and all those fantasies and false prophecies, none and why, God said it that's why!

Look at his image as described by God in a dream to the king of the first world empire of Babylon represented by the head of gold on an image telling of the future of the worlds powers that would come and go as God foretold

hundreds of years in advance of their existence, and Daniel was there in Babylon when the allied kingdoms took her down and God had him record it for “Us” showing His ability predict and even to control history and time itself!

BABYLON

MEDO/PERSIA

GRECE

ROME

The feet and toes of iron and clay, representing the remaining kingdoms, till we reach the end of the Images rule, indicate no unity among them and instability “and” no world empire will ever rule the world under one head, but, out from among them we will learn; comes the little kingdom of the Beast power of 666. Identified by God as the Abomination of Desolation ([Matthew 24:15](#), [Daniel 8-9](#)) that will reign in the end of time, a religio/political power actually causing the end of time0 by her deceptions she created in the years following Rome’s fall when she arose from the head of the beasts before her to a time when she would receive a seeming deadly wound, but that wound would heal and all the religious world will wonder after her power till the end.

That’s naming just a few events of the future God predicted, of the many we will see as we go on, establishing the reason for this writing.

Get this now it’s important;

Those “future events” were written in the ancient scriptures that those who were transcribing them in 200 BC did not see happen “because they hadn’t happened as yet”, and wouldn’t for another 32 years when Rome came into power, and 227 years from the time they were transcribed, before the

Messiah was to come, to many years into the future from that time in 200BC for anyone then to have known of their importance or to have any inkling of their potential fulfillments!

Why even, Rome itself wasn't known as a major power during those years, it was just a community, maybe the largest one then, but, much less known as a rising empire to come to take over the great Grecian empire who was holding world dominion in those years.

Remember there was no internet during those times and news traveled just as fast as the horse and buggy could take it and the world was only known as far as Mesopotamia stretched back then, as we will see from history as we go on.

Rome yes, was a significant factor to the church and religious at that point, but, the coming of the Messiah was not expected or even thought about, save by the Magi (three kings of orient) who among "the very, very, few" were obviously in tune with Gods Word to know the greatest of all prophecies was about to unfold.

But, and this is a big point, considering those who were in tune with Gods word in those days, "did NOT include the church of God"! Believe it or not, and actually "God had not spoken to his church for over 400 years since His prophet Malachi wrote down His warnings, so, there was definitely a communication gap then, and the church was obviously unprepared for this major event that separated time keeping itself.

But yes, God had a few who were still following, preserving and keeping His word from being lost, if even just for that reason alone, and the predicted coming of the Messiah, which had been given way back there "in the Garden of Eden" ([Genesis 2:16-17](#)) may have been in the back of their minds, but it had been so long of a promise, it just didn't register, and maybe studying the

scriptures was old fashion like today, despite the fact that the Savior is coming again just as surely as He did back then.

From scripture it's obvious, the promise was nearly almost forgotten by the church in 200BC and even in the days of His first coming, as I said as hard as it is to believe, "when only a few were holding on to Gods past and promises through prophecy", but very few indeed, and, those who did read the scriptures like Harrods prophets who saw the possibility of the predicted coming as told to Daniel "saw it as a threat by misinterpreting it" as the promise of a king instead of a Savior, and we know that story, so the coming of the Messiah was not on the churches mind nor expectations.

You say; "How do you know that, that's just supposition?"

Well one big reason is; it's an obvious truth, the Jews (Gods first church) are still waiting on the Messiah, and that's more than supposition right, assuming you already knew that?

What about that church?

The Jews, being that first church of God, formed at Mount Sini and commissioned when the Covenant was first written by Gods own hand. That church (being the People) the Lord had raised and trained in His ways for all those years, "in the days of the Messiah (post 27AD)", obviously, was not in tune with the events of prophecy, for remember, they killed their only hope, and maybe their lack of readiness was because of a good [actually bad] reason;

As I said; God had not sent a prophet to His church for over 400 years (since Malachi in 430BC) and that silence lasted till the time when the Messiah came.

He (actually the Lord from heaven) had been silent, as if He had given up 'it seems' on even His church and wasn't speaking to them?

It wasn't until the few, who were hanging on to the faith, realized that the Messiah was with them, despite the prophecies clearly giving the date, and that included even His own family who only realized who He was near the end of His life.

So to say His coming, predicted many times over and over by various prophets over the years, even when those prophecies were validated by their fulfillment's one after the other, including descriptions about the Messiah Himself like; where He would be born, and how He would act performing miracles and such, but when He finally came and He Was right under their nose, right on time, and according to time keeping and traditions, they still didn't see it!

Many today still don't see it either, even the one prophecy concerning the arrival of their Messiah the "Savior", religious mankind's most important event, and for "the same reason as back then"; ignorance of prophecy or the perversion of it, much less, should He have come today instead of in the years of the first church, but now in the years of His second church, they still would reject Him for just the way "He would live, and act, and worship on His father's day (with His name on it "ABBA") and not the day named by the pagans day of the "Sun", thus He would not be accepted in the religious circles at the state of the art of religion, including "all religions", even though; He was and still is the only prophet of God of who's coming was predicted in advance, and to the very year and day proving His connection to God without doubt.

Who are the others connected by if even through osmosis?

What about the Messiah and what does all this have to do with the scrolls?

What's the story here, its purpose in knowing?

Stick with me now and you will see.

After His (the Messiahs) desert temptation, experience and baptism, He makes a statement, notice;

*Luke 4*

<sup>6</sup> *And he came to Nazareth, where he had been brought up: and, as his custom was, he went into the synagogue on the S-Abba-th day, and stood up for to read.*

<sup>17</sup> *And there was delivered unto him the book of the prophet Esaias. And when he had opened the book, he found the place where it was written,*

<sup>18</sup> *The Spirit of the Lord is upon me, because he hath anointed me to preach the gospel to the poor; he hath sent me to heal the brokenhearted, to preach deliverance to the captives, and recovering of sight to the blind, to set at liberty them that are bruised,*

<sup>19</sup> *To preach the acceptable year of the Lord.*

Let us now consider then this statement about the “acceptable year” given by Him, in His first public sermon as it were “on the mount”, marking the beginning of His ministry, and this statement was based on “the longest of time prophecies given by God”, the one in which His Sons (Messiahs) coming was predicted (in that “acceptable year of the Lord” 27AD-30½AD), considering also that “that prophecy was fulfilled by Him”, despite the ignorance of mankind including the church.

But, there were still events “to be fulfilled”, as given in that same prophecy that didn’t reach its complete fulfilment until the year 1844 AD believe it or not, and even then “the church at large in that year” (1843-44) with several major protestant denominations already formed at that time, but, they too missed that prophecies date, and its significance to their salvation, because of the way it had been miss-interpreted (See [www.mosescats.com](http://www.mosescats.com) “Yom Kippur”).

Just a few caught it there in 1843AD, a few, who wouldn’t quit seeking for the correct interpretation of this prophecy from God (as did Daniel), and their persistence paid off for they were shown “what the event marked that took place at the fulfillment of that prophecy”, and, as a result of their dedication

they were also shown that; “the remnant church” that was hidden through the Dark Ages (538AD-1798AD - [Rev. 12:14-17](#)) and protected by God “had the truth of the gospel”, and that church was the predicted “seed of the woman” that passed thru Christ as given in the first prophecy in Genesis ([Genesis 3:15](#)) and on to the symbolic woman representing the remnant church so named by God ([Rev. 12:17](#)).

They were shown that this church would reemerge after that long spiritually dark period ended (the length of which, given by God, we will see in a minuet) and after emerging that people group (church) would be commissioned to carry on “**the same, message, the same light once again**”, as commissioned by the Messiah when He formed this church (He being the corner stone remember) out of the twelve, but this time after 1844AD, His remnant church would carry the gospel “**into all the world**”, as John saw it going in ([Rev. 14:8-12](#)) by the messages of the three angles.

This reemerged church then was to carry the same gospel message for mankind as the remnant people of God on earth ([Rev. 12:17](#), [Rev. 14:12](#)), as this last cycle of the wheel comes around again, but this time, it will stop forever with the second coming of the Messiah ([Rev. 14:14](#)).

Now to us, in our reality today, and for the religious world the churches claiming to be of God, looking back and looking ahead, these prophecies should mean even more to us some 173 years later, for now we know;

“those same prophecies  
cannoned in the Bible  
were fully validated in 1947AD”

with the discovery of the Dead Sea Scrolls, when all of the “timed prophecies at least” (prophecies based around time) had already fulfilled, and “were now a part of history recorded and **UNCHANGED!**”

Thus unarguable truth at that point after 1947” and that is the point!

See the connection now?

NINEVEH THE MOST ANCIENT OF CITIES STILL STANDING TODAY UNLESS ISIS HAS DESTROYED IT

Please consider this Biblical fact, and understand its salvation implications, as we think about the second coming, and the remnant church of Gods building up and our need to be part of it, and not take part in the churches of the worlds building especially the one of the “man of sin”, as deception awaits and from who? (Paul warns us in [II Thessalonians 2](#)).

Every time I think about this it reminds me of Nineveh, and why it was not destroyed, and the reason has to be concluded it was; “because they looked

back into mankind's past for the answers" of how God deals with mankind and especially the churches and turned away from their sins and "**false religions**".

But that's another whole story (search [www.amazon.com](http://www.amazon.com) "Jonah and the whale/ancion" for that one)but their situation is parallel with ours "for they too were faced with an end time event."

Go back and get a grasp on all this before we go ahead if confused, it's that important!

Let's get personal now;

Even to today, another 172 years past the fulfillment of that last "timed prophecy", very few know what it means (meant), including what all of those "prophecies given to Daniel and John were predicting".

Most people today, even Bible believing people, have no knowledge of why God even gave Prophecies in the first place, and, even fewer know "that He gave them **as vital warnings, vital for their salvation**", yet, they still don't know, and, what's more; they don't even care to know, they don't feel the need to know.

Not knowing; that God "even predicted that lack of interest in His Word would come", especially, near the end of time!

*2 Timothy 4 (KJV)*

*<sup>1</sup>I charge thee therefore before God, and the Lord Jesus Christ, who shall judge the quick and the dead at his appearing and his kingdom;*

*<sup>2</sup>Preach the word; be instant in season, out of season; reprove, rebuke, exhort with all long suffering and doctrine.*

*<sup>3</sup>For the time will come when they will not endure sound doctrine; but after their own lusts shall they heap to themselves teachers, having itching ears;*

*<sup>4</sup>And they shall turn away their ears from the truth, and shall be turned unto fables.*

That's how deception works, and this then is something we need to look into now as we get personal.

Really friend though; “what does this tell us?”

No matter how much we try to ignore, pervert, do away with, or try to “disprove the Bible as the Word of God”, as our “true history”, a history that tells us of our past, of our beginnings, and the reality of mankind’s “literal 6 day, no 7 day creation”, the roots of which are only found in the Bible, and they are literal 24 hour days and still holding so!

Did you get that?

Or do you, as do most, try to scientifically prove otherwise, or by “false theology” try to pervert the major events of our history like the creation, flood, Sodom and Gomorrah and all? That today are being denied by almost all of the churches out there as literal events, following the mother church of course in ignorance of God’s Word, and ignorance of His prophecies that confirm them as real, and the truth is; contemporary history backs then as literal.

All that doesn’t change the facts that they are events “we cannot deny” at least as “want to be” followers of God, if that’s our goal of course, but if you stick with me I believe, this will be your desire, once that is, we have seen the evidence from the Bible and the Bible only, plus the records of contemporary history, coupled with the prophecies, as they were confirmed by the fulfillment of the Bibles own Words and means, and not mans.

**Especially when we see it clearly  
and it sinks in;  
“that the predictions of prophecy  
given before 200BC  
“that did in fact come true  
after 200BC  
just as God described they would”**

prophecies given hundreds, even thousands of years in advance, and when we see those prophecies, even the ones that have no time prediction attached to them, also given by God, and still yet “some that still haven’t fully fulfilled even to today”.

I think you will agree that these truths, just simply, cannot be denied by the true follower of God, *ignored yes, perverted oh yes, deceived away from yes, yes*, but “undeniable truth they are - yes, yes, YES!!!”.

If this is true, and we will see in a minuet the complete proof they are, and that they all fulfilled their predictions by God 100%, and when we see the really important ones “especially for us down here in the end of time”, the ones we are to know and understand by our Messiah’s own warning ([Matthew 24:14-15](#)) we will see Gods plan for us, and listen;

Don’t let the deceivers say; “oh that was a message only for the Jews”, and have you ever stopped to ask “why” do they say this?

Because they have been blinded, they can’t see the obvious “subject” and the question that the Messiah was actually answering, and why He said what He said – [Matthew 24:3-](#) )

This prophecy the Messiah gave, that most in Christendom have no idea of what it really means to them, to us personally, which, begs then an even bigger question we need to ask ourselves before we go on;

It’s the question about everything else in the Bible, claiming to have been “written by and about God, and then putting the prophecies in the same category of belief as in Him as our Creator”, being something some find no significance in, or have even “evolution-ized” it out of reality. Evolution being a subject I have addressed over the nearly 20 years of study and contemplation as to its connection with the Bible as many try to equate, but it has none “don’t be deceived as the churches have been.

These studies have led me to discover “the real Biblical realities and conclusionssupported by prophecy”. (See [www.theuniversalreligion.com](http://www.theuniversalreligion.com) and [www.amazon.com](http://www.amazon.com) “Joseph Ancion books“, and [www.mosescats.com](http://www.mosescats.com) ), and my conclusion is;

Those prophecies were confirmed by the finding of the “Dead Sea Scrolls”, thus, validating the Word of God, “combined with confirmed historical documentation”, do;

“bring His Word into  
the category of  
our true history”

and all the other tales, and theories of evolution, including false church doctrines, false prophecies and such, as being the myths “not the Bible”.

Making the Bible “the recorded Words of God to mankind”, calling Him (mankind) back to the Garden, the Eden he let slip, because why?

Now we are getting serious;

Why did mankind slip into sin and deception?

Mankind early on;

“listened to another voice  
other than Gods,  
and he believed in a lie  
rather than the truth.

Will he do it again in the end as the individual who makes up the churches, the religions?

The Bible predicts some will, in fact all will “save a few” in the end ([Matthew 24:11,24, Rev. 13:3, 8-9](#)), this primarily because of deceptions that destroy the reality of God “past, present and future”, and please notice another warning, as a follower of God, no matter what you may call Him to be; if connected to Abraham in any way it’s then a warning to you personally, and a warning to all the churches, those claiming to be following God “in all things”, and as I said no matter what name they may apply to the God of creation, consider this;

This confluence, of this message, predates at least all other religious scripts Post 200BC by virtue of the discovery of the Dead Sea Scrolls transcribed from ancient manuscripts, when this script (text) was written, and then found in 1947AD and compared to the Bible we held in that year, thusly, backed up by those Old Testament (prophetic) writings completing Gods Word (Scriptures-the canonized Bible), as does all of its sources all the way back, by documented history.

So, whose right and whose wrong?

It’s really a no-boner, historically and prophetically speaking, and here with this warning speaking specifically to our generation post Messiah;

*2 Thessalonians 2King James Version (KJV)*

*2 Now we beseech you, brethren, by the coming of our Lord Jesus Christ, and by our gathering together unto him,*

*2 That ye be not soon shaken in mind, or be troubled, neither by spirit, nor by word, nor by letter as from us, as that the day of Christ is at hand.*

*3 Let no man deceive you by any means: for that day shall not come, except there come a falling away first, and that man of sin be revealed, the son of perdition;*

*4 Who opposeth and exalteth himself above all that is called God, or that is worshipped; so that he as God sitteth in the temple of God, shewing himself that he is God.*

*5 Remember ye not, that, when I was yet with you, I told you these things?*

*6 And now ye know what withholdeth that he might be revealed in his time.*

*7 For the mystery of iniquity doth already work: only he who now letteth will let, until he be taken out of the way.*

*8 And then shall that Wicked be revealed, whom the Lord shall consume with the spirit of his mouth, and shall destroy with the brightness of his coming:*

- <sup>9</sup> Even him, whose coming is after the working of Satan with all power and signs and lying wonders,  
<sup>10</sup> And with all deceivableness of unrighteousness in them that perish; because they received not the love of the truth, that they might be saved.  
<sup>11</sup> And for this cause God shall send them strong delusion, that they should believe a lie:  
<sup>12</sup> That they all might be damned who believed not the truth, but had pleasure in unrighteousness.

This is a warning for the Abrahamic churches out there, not just those in Paul's present, but it is inclusive for all the future churches ([Rev. 3:20-22](#)) as well, but it's specifically a warning for us, you and me.

"A warning of a power we also will face", who has spun many-many tales against God's truths through deception, and the world of religion has bought into many of them. All that's left is the acceptance of its head as a god in Gods place ([vs.4](#) above).

I'm not making this stuff up as you can see by now, it's predicted to happen and it will "according to God", His Word, given to us down here in the fulfillment of this prophecy right before the end ([vs. 8](#)), and the rest of that prophecy is the warning for us, so we had better make sure we get it's significance, for it's obviously a life or death matter, isn't it?

This spinning of deceptions, we are warned about through prophecies by God himself, may be a new truth for us, but, "the use of deceptions" by the master deceiver his protégés, his disciples and churches over the years is nothing new.

In fact, it actually began in heaven with the chief of all liars "who wouldn't repent when faced with the choice of following Gods truths, "as God had established them to be, and, "not what any of the created beings established or made them to be, as seeming truths". We are talking heaven here, thus God "established His Truth for the universe and not just one part of it nor would He ever change it - no doubt" but there were enemies even there in paradise.

Resulting in, that enemy of God, that lying deceiving power, being cast to earth and spawning the first lie of deception and, get this now;

because “our first parents”

**didn’t consult God** “first”

when faced with a life

or death situation

and because they chose another’s word over His “as truth”, sin was borned, and from that fall to the second act of sin “deception you might say influenced by the great deceiver the first murder took place”, obviously against Gods Law.

Those deceptions and lies spawned all the liars hence, and members of Cain’s cursed race, those **who also** “will not repent when faced with truth” Gods truth not mans under His Laws not mans.

Eventually that evil spirit passed through the flood into Hams cursed race, and now, all the races that have accepted, all the 100’s and tens of 1000’s of false religions, false doctrines, myths and theories out there they are bound to, and listen friend “it’s only Gods Truths that can set them free from deception”, but they accept other truths over Gods, they have fallen prey to our first weakness, despite the many examples and warnings, they stick with the lies, like Cain, and “God Himself will let us go with our own choices” and worse He may seal them in us because we “choose” deception ([vs. 11-12](#) above).

Finally then, it comes down to us, down to the man or woman who accepts their own words and conceptions, their own “chosen kind”, of the false religions and false religious practices, their perverted “sun” worship day over Gods, including all of those theologically compromised evolutionary theories of man’s history “over Gods” even when they come face to face with His

reality, that is, if; we don't choose to be in "that group of the lost in the end" but choose this day "to run to Gods?"

Get this now, and this is the reason for this study; those prophecies given in olden times about the future "that wouldn't be fulfilled until after 200BC", God uncovered them in 1947 for us as warnings, not only confirming His scriptures from creation but "to expose for us who those cursed races were and will be, who those false religions and false prophets were, who are out there now", and it's all those who "choose to make God out to be the liar - by following their deceptions".

Including all those who want God and His Commandments (His Covenant mind you) and His laws out of their lives altogether, and worse, they are doing it through a deceived religion, and even worse "in the name of God with impunity!"

God forbid!

Sorry to say; few be today that see it, millions and now billions have been led astray by these deceptions and their false teachers, by those cunning wolves in sheep's clothing "speaking smooth and sly words", which people, "who as with itching ears fall for", flock in the tens of thousands to hear and praise, just as Paul tells us it was going to be.

Notice this prediction given about our future, actually present;

*II Timothy 4 KJV*

*<sup>3</sup> For the time will come when they will not endure sound doctrine; but after their own lusts shall they heap to themselves teachers, having itching ears;*

*<sup>4</sup> And they shall turn away their ears from the truth, and shall be turned unto fables.*

Soon all those compromised religions, coupled with the predicted miracles and all ([Matthew 24:24](#)) will take in the rest of the religious world, and listen,

even “the elect” are at risk the Lord tells us, so don’t be so confident in your religion “unchecked”.

Ministers to millions & billions

Modern protégé of their doctrines

All the world wondered and worships

### Matthew 24 KJV

<sup>3</sup> And as he sat upon the mount of Olives, the disciples came unto him privately, saying, Tell us, when shall these things be? and what shall be the sign of thy coming, and of the end of the world?

<sup>4</sup> And Jesus answered and said unto them, Take heed that no man deceive you.

<sup>5</sup> For many shall come in my name, saying, I am Christ; and shall deceive many.....

<sup>11</sup> And many false prophets shall rise, and shall deceive many.....<sup>24</sup> For there shall arise false Christs, and false prophets, and shall shew great signs and wonders; insomuch that, if it were possible, they shall deceive the very elect.

CUMBA YA AND PRAYING?  
(Both think they are gods)

CERTAINLY THE EVANGELICALS WOULD STAND - SBS  
(Who stand for nothing – till now that is?)

NEARLY ALL PROTESTANTS VOWING AND BLESSING – WHY?  
(Fulfilling prophecy that’s why - Rev. 13:3)

NOT JUST PROTESTANTS BUT - ALL OF THE RELIGIOUS WORLD  
IS JOINING FORCES - UNDER WHAT SINGLE POWER?

This power of evil has been spreading it's enmity against God faster and faster with each consecutive generation since Christ, and the religious world (blinded by God?) and all the religious world, at the top anyway, is obviously giving in to it, blessing it "as standing behind it", as the one photo shows with raised hands vowing, even praying for him, committing to him (commitment papers in hand), and these are just a few of the many pictures that can be found by searching of just who it is that's giving in to "fulfilling prophecy";

Even her enemies, despite the fact they are her stray child (her words not mine), but remember "Baheera"! (see Appendix)

You say; "you're going off the deep end now, and making something out of nothing, verging on false accusations".

"A picture is worth a thousand words" do they not say?

Open your eyes my friend!

It may seem like I'm exaggerating, but let's just see now "how the Bible has shown this power to have formed and into what", and doing what in the end, from the scriptures (He sent from heaven as important) exposing for us as warnings through prophecy from the Bible and the Bible alone, the parts of which we haven't seen yet.

We will see her as players on the stage "doing exactly what God predicted she would do", and this from HIs "prophecies" given nearly three thousand years ago, and furthermore; "she has already fulfilled most all those prophecies to date, "which expose her and her formation" to this very day and age, and can only apply to her.

Telling of her genocide of three whole nations out of existence, and listen, these are not my fabrications, or even new news, but actually old news, news forgotten, or ignored, "history from our past that can't be changed", and this has swiftly come to fruition relatively speaking in the test of time, "just as God predicted it would".

Keeping in mind the significance of the finding of the "Dead Sea scrolls", that told about this church gone bad, long before it came back into power after her wound in 1798AD, and they tell of what she did during her first reign till then, and friend (she can't change those facts), and those Dead Sea scrolls, which contained those predicted events written in BC times 738 years before she even came into existence in AD times, those scrolls that contained that future evidence "were not unearthed until 1947", long after their fulfillment's had already taken place, confirming Gods evidence, and that history was old news by then (see appendix "WOUND"), at least to some anyway, that is a few who were in tune with Gods Word.

I hope you are getting the picture, I could stop right here for "the significance of the discovery of the Dead Sea scrolls was stated in the last few paragraphs", but there is so much more?

What about this powers religious and political significance now?

Why did God foretell of her rise to power in such detail as we are going to see; telling of her coming out from the broken down Roman Empire, rising up from the midst of the 10 kingdoms of earth that settled in Rome's void. There in the cradle of civilization, where she sits right now among the 7 that are left as witnesses for the last days, when God, as a destroying stone will smite that image and remove her influence from the face of the earth? ([Daniel 2](#))

What about this warning, that God felt He needed to give us in such detail in 605 BC and even repeat it for John in 96AD the beloved, prophetic knowledge written in advance that even made Sir Isaac Newton make it a part of his studies and extrapolations?

What are those details?

Let's look at them now;

Like the council of Nicea in 325AD with Constantine, the council of Laodicea in 364AD she (the church) finally substituted Sun-day for S-Abba-th as gods worship day. Without of course consulting God first on the matter (original sin?) His answer of course would have been "what did my son tell you" in [Matthew 5:17-20](#). "My Law is valid for how long? Including my S-Abba-th" ([Deut. 7:9](#)). "What will I do to a person who intentionally breaks it knowing my will?" ([Numbers 15:32-35](#)). If God changes His law at any time in any age He would have done an injustice to that man back there when He first wrote down His "Ten" commandments for mankind ([Exodus 31:13](#)) as are for the whole universe.

This powers progression towards evil began shortly after the Messiah went back to heaven, challenging and altering Gods religion and His church, as early as the 4th century AD in her rise to power, when, she took it upon herself to actually change times and laws set by God, who made them to be “eternal” (in so many words ([Deut. 7:9](#)) and, guess what? God predicted it would happen, that she would “think” to do so, “but can’t” is the point ([Daniel 7:25](#)). Laws set by God in eternity, for His creations, that can’t be changed ([Psalms 89:34](#)). Please look up this next text, this is the Father speaking about His Son and His followers-US-in the same context ([Psalms 89:29](#));

*Psalms 89 KJV*

*<sup>34</sup> My covenant will I not break, nor alter the thing that is gone out of my lips.*

*Genesis 2 KJV*

*<sup>2</sup> Thus the heavens and the earth were finished, and all the host of them.*

*<sup>2</sup> And on the seventh day God ended his work which he had made; and he rested on the seventh day from all his work which he had made.*

*<sup>3</sup> And **God blessed the seventh day, and sanctified it:** because that in it he had rested from all his work which God created and made.*

*<sup>4</sup> These are the generations of the heavens and of the earth when they were created, in the day that the LORD God made the earth and the heavens.....*

*Deutoromany 7 KJV*

*<sup>9</sup> Know therefore that the LORD thy God, he is God, the faithful God, which keepeth **covenant** and mercy with them **that love him and keep his commandments to a thousand generations**;*

And, as I might add; this act of changing “the only one” of the Ten Commandments (Covenant-Law all same) that dealt with “time and law”, the one she did change, and she even brags about it saying it’s her [mark of authority](#) “as Gods only church?”

Of course, we just read this change was predicted to happen by Him (God), that she would make a change in His law and now we know what that change

was; the S-Abba-th to Sun-day (See [www.theuniversalreligion.com](http://www.theuniversalreligion.com) for complete details of this leaving no doubt, at least to the honest truth seeker), and furthermore this change in any way cannot be found anywhere in the Scriptures “as Gods doing”, thus it becomes one of “the many marks” that describes her deviation from God to become His enemy. Against His church and His people and of course His Covenant;

How does the Bible tell of her rise into power, which came after the fall of Rome from world domination, and remember, the world in those days was Mesopotamia and just a little beyond we are going to discover, and this arena and eventually the USA (last christian nation) was Gods focus for they were primarily where His people were, His churches and thus His prophetic focus.

I’m giving here at first a general overview of the history as God predicted it to be 100’s to thousands of years in advance but we are going to see the details and scriptures in a minuet and tie them all together.

*Daniel 7 KJV*

*<sup>23</sup> Thus he said, The fourth beast shall be the fourth kingdom upon earth, which shall be diverse from all kingdoms, and shall devour the whole earth, and shall tread it down, and break it in pieces.*

[The forth kingdom was Rome, it was the fourth and last of the “world controlling empires”, and note the term God used; “whole earth”, that’s “His descriptions” in describing her territory, His description not mans, but Gods!

This area was considered, in Rome’s early days as the whole known world, and that is what made it a “World Empire”. We will see this on a map in a minuet]

*<sup>24</sup> And the ten horns out of this kingdom are ten kings that shall arise: and another shall rise after them; and he shall be **diverse** from the first, and he shall **subdue** three kings.*

[This text describes the Ten kingdoms that conquered Rome, and then next; Gods is describing “the beginning of the power we have been talking about” and what she would do.

She is described by God as “Diverse” in that this power wasn’t just a political power as were all the others, but also a religious power as well.

“Subdue” tells of her genocide of three who kingdoms out of existence in her rise to power, but “not out of history”, for we know of their once existence as nations. None the less,

it was that genocide by her  
“fulfilling prophecy in so doing”

and **only that power**

**“alone”** fits that bill

Fits into the history

so no denial can be made “its history”, apologies she has made and the ones she may make in these ignorant times of the scriptures, but what difference does that make it’s too late, even if it comes from an infallible Pope, and yes, that is “and must always be her stand (infallibility) for them to have been and still be Gods representative in a unbroken chain of Vicars or Potentates for god (small g)”, and listen; “She’s not the One - it’s that simple!”

So, since we know her dark history she can’t change nor apologize for since God predicted it and condemned it, so we must conclude; for her to make any claims of Godly powers are obviously a lie (blasphemy), and just another mark of the many we are going to raise from scripture, and, so it is with her off springs, popes today who speak softly and her soft speaking harlot daughters “apostate protestants” ([Rev. 17-18](#)) we saw some of their pictures above.]

*Daniel 7 KJV*

<sup>25</sup> *And he shall speak great words against the most High, and shall wear out the saints of the most High, and **think to change times and laws**: and they shall be given into his hand **until a time and times and the dividing of time.***

There it is!

Her greatest act, or greatest deception, that the whole “c”hristian (not really) world is following, and notice a, “time frame is given by God”, which we are going to discover, is “the Exact time in history she reigned as a political/religious power”; fitting into history fulfilled between the fall of Rome 476AD until her power was taken away from her in 1798AD, and like I said; this is the only place this time frame could fit and the only power that did fit it “exactly as God foretold through prophecy”, we are talking God here my friend we should listen shouldn’t we? ([Matthew 24:14-15](#)).

Ok, now I can really end this study, enough said, for these predictions written hundreds of years before they actually came to be, is proof enough of the Bible’s “Godly hand” in preserving it, hiding it and then having it recovered, thus giving it “its authority as the history of mankind past, present and future!”

I really need to say no more, but, there’s so much more you don’t know from scripture, “that makes our subject (the Dead-Sea-scrolls) the greatest discovery in modern times”, so beyond, what we have already learned from God’s Word, that you had no idea existed, which yes, is obviously important “to God” for us to know, or He wouldn’t have given it on scrolls and now placed it in our hands, by Him, it’s significant for us and if not; “why did He give it?”

Stick with me and you will see why and how important it is.

I said I could end this study now, and why, for this is the whole purpose of this writing for us to see the truth of things, and here is the punch line - Again;

**The things that the  
Dead Sea scrolls predicted  
about this power in a prophecy  
“all came true” just as God  
said they would in great detail  
years before they happened.**

Doesn't this then tell you the Gospel of Gods' Word is true and can be trusted as "Truth", and not some made up story or some religious dogma we are to take on just faith alone?

It should, but if not please go on and you will see, you-will-see Obi-Wan...

All this was done in her rise to power that was predicted to happen by God, but this knowledge wasn't "fully realized", fully I say; "until after her reign had temporarily ended in 1798AD, and then it became "light", fully exposed Truth and then, we could then see the big picture, which only a few before had seen in its entirety, men like Newton and Luther etc. who put it all together without all the proof and details by just studying prophecy alone as history as had been revealed to their time, discounting the fact that the Holy Spirit was obviously leading them.

What did they see?

CLOVIS FIRST THEN CONSTANTIEN - THE PAPAL FOUNDATIONS

Her reign began with the fall of Rome first, as God described, and then her rise among the ten there in the Mesopotamian area of the world, where we saw her come into religious power in 508AD, but then, after her conquering and

genocide of the three kingdoms or nations was complete, and her rising power becoming obvious on the political front, her actual legal reign began officially by the surrendering of the power still held somewhat by the broken down old Roman empire struggling to hold on, allying with her in an attempt to regain the world power it once had, this because the church was gaining so much political power itself she was the perfect ally.

Because of the choice of conquers that she allied herself with, she eventually was given full political power on the roman board in 538AD, and though she reluctantly assumed at first “she now had the power to be the head”, thus beginning her long reign over the nations, that “she could control anyway”, and she did so with the same iron hand as had Rome, and why, she obviously called herself “The Roman Catholic church”.

This was the world in the days “of Gods people”, and why God put it in His Word; through “prophecies to Daniel and then to John”, given years in advance so His people could prepare, thru warnings of things to come that would affect them, and given for us as well for our faith looking back and seeing Gods control of the past present and future, our future.

Giving us thru the same prophecies as well “the time frame when her reign would begin, the temporary wound she would receive, Her recovery and then her end”, so, that we could fit it into past history, and the our history so we could know of “the ways she would attempt to deceive us away from God His Law = His Covenant”, things Newton could see from Gods Word, and even though he didn’t see her “end - it was predictable”, for God predicted it, and His history book speaks clearly of His knowledge of the future, and that’s why Newton a man of intellect and knowledge wrote about it.

Her reign was to last for “1260 prophetic days/actually years” as given to us in symbolic time frames “by God”, the one we read a minute ago ([last text given](#)) that period was; [a time (1) + 2 times + a dividing of time or 1/2 a time that

equals= 3 ½ times, which, by the way, Newton not having seen all of her doings, nor her rise as the beast of Daniel and Revelation, he still deciphered this equation for us in his book (see appendix) so there is no doubt of its prophetic length of time she would rule.

Of course Newton was just verifying the scriptures use of symbolic language in prophecy, as this time frame is repeated in different ways “by God” throughout the two prophetic books of Daniel and Revelation, describing this same beasts first reign of power “which points only to her”, and you will find no other power has reigned for such a long period as this (1260 years), at least since the fall of Rome the last world empire, in 476AD (being only 1539 years ago). So there’s no doubt “Newton got it right”, and of course what’s important for us to remember “this prophecy was part of the Dead Sea Scrolls or inherent by the existence of the book of Daniel, enough to trust the translations in 1947 and the experts who validated them”.

However the fulfillment of these prophecies stored in that cave, “before even the Messiah came” was also predicted and described by many of the books found in the Old Testament, these references in themselves validate Gods Word protected “by His hand of preservation”, but even then, with all that was predicted, and came true 100%, even then in 1947 those prophecies were misunderstood by the church at large, save of course the mother church who held the scriptures to herself and away from the people for so long, she knew what those prophecies pointed to, and she wanted to destroy those proofs or at least pervert them out of existence with her false prophets like Nostradamus and the like, including her daughters who still to today are helping her along “by the acceptance of her false worship day, and such anti Biblical doctrines that are not “a part of Gods design”.

So the deception of the churches was inevitable, predictable, and history shows us that after the mother church received her deadly wound in 1798AD,

and then after that blessed day in 1844AD when the last timed prophecy fulfilled and the knowledge of Biblical prophecy was beginning to be understood, as exposed to Gods remnant church on the rise, and that church is now carrying “the Testimony of Jesus”, being the spirit and knowledge of prophecy and having “the Commandments of God” as their sword of truth, still to today, thus as we are seeing now; exposing the beast and her power of the past as given by God, and the power that she will again have in the future that the “church at large” has blinded itself to, forgetting and ignoring the history of the church, and forgetting the powers God predicted “arising”, and do not recognize her as such, much less to try and destroy it by “Truth”.

Remember the basic prerequisite of salvation is “Faith”, and, that’s simply believing in God’s Word nothing more, but then after faith has come we need to act on that faith, ([James 2:12, 17-18](#) in context to the Law, [Romans 2:13](#) in context).

The exposure of this power on a world bases really began to be seen with the printing presses first book “the Bible”, which would soon began to put real history in the hands of the common people, and not just the priests, but to counter it’s growing affect, the mother perpetuated the French Revolution as a means for the elimination of the Bible “literally” by burning as many of those prints as she could get her deceived to do that wouldn’t expose her as the behind the scenes calling the shots.

Trying desperately, to keep the truth about her from getting out to the masses, before she could deceive them with false interpretations of scripture and perversions, of her own making, to throw off the Truth.

But the proliferation of the scriptures began to take root, especially after America was founded with its freedom “from” religion, there she couldn’t control or pervert as “she had in the old country”, but her attempts to intervene was subvertingly going on (See [www.mosecats.com](http://www.mosecats.com) “Lincoln”).

The same way the scriptures began to grow back then and she tried to stop them, have they begun to diminish to date, because that perversion by her, once again, is growing more so and even faster with the WWW and internet and the Satellites pumping “her and her harlot daughters” (apostate Protestantism) false religious doctrines, and deceptions right into every home and mind, globally by now.

There have been many people though, in the past, who saw the Truths of God through the spreading of His Word as well, which ironically was the first book published on a press and still yet the most sold book worldwide “I think?”.

I say, many over the years especially since 1844AD (I’ll explain later) many have seen the truth vs. deception, and many have seen Gods prophecies as interpreted by His Word alone, which expose these lying powers of evil.

Many Bible studying men and women even in those dark times of the Dark Ages “so-called” knew the Truth through prophecy, including the most likely person I’ve already mentioned, but to remind you; “if there ever was one person to debunk the knowledge and prophecies of God as myth”, that would have been Sir Isaac Newton, who, having the knowledge and perception in things, even knowledgeable men today don’t have, if anyone could have put doubt on the Holy Scriptures it would have been him “but he did no such thing”.

Rather, Newton upheld Gods history as mankind’s history, and as a result of his knowledge of the Bible, he saw Gods enemies clearly thru those prophecies which met their fulfillment both “before and after 200BC”, even though they were only partially “fulfilling in his time” (the 15<sup>th</sup> century AD), and in “his book” (See appendix) in which he expounds on the two major books of prophecy (Daniel and Revelation), exposing those powers of evil “in his time as the enemy of God and against His believing people, as well as to

those growing to be “in the future who will be against” the second church the remnant there of (last on the bolt) being the end time people” (Us?).

That early second church of the Gentiles (Jews being the first church), that early church after the Messiah left, as we have already discussed “fell to this same little horn beastly power”, headed by none other than the mother, who naturally more than ever wants to destroy Gods Word and insert her own, and she remains still “the current power behind that movement”.

A movement, my friend need I remind you, that has been going on since Satan made his first accusations against Gods governing in heaven in paradise mind you and was cast out, and then, through deception, convinced Adam and Eve, also in paradise but the one on earth, convincing them to question God; if only “by letting into their mind ‘that influence’ and **not first consulting God**, and checking what they were told as truth against Gods word (spoken then, not written down as yet) against His religion as it were.

In so choosing; “the voice of seeming good and convincing knowledge - yet evil”, just, “as God had described that trees fruit to be if consumed from yes the tree of the knowledge of good and evil”, yet it was a knowledge they didn’t need to know and one that would bring death to them if consumed of it’s fruit as they were tempted to do?

“The knowledge of good and evil” (What the Law is - if you can see it?), yet, through deception, they consumed of that false information without asking God first if they should, and they were cast out of paradise.

That seemingly small sin by our first parents would lead to even greater sins and deceptions by sins author (Satan), who now had entered into the mix, and who straightaway deceived and led to the first person, on this earth, to walk away from God, the first born son Cain, and thus began the first race of mankind to rise up against God, and listen; “God foretold it all” ([Genesis 4:6-7](#)) so that no one beyond Eden would fall for the False (religion as it were), but rather stay with the True that only His word (His religion) offers, and especially when it comes to **religion**, to religious choices, choices mixed with doing well, doing good, but also doing sin, doing evil thinking it’s good, as we are going to discover, and “deception my friend is the catalyst”, every time for evil to prevail, just as it did in the days of the flood, and how it will be in the end of time, and the cycle rolls around again and again but this time it’s the last turn!

How can we know **what His (Gods) religion is** verses all those out there?

You tell me after all we’ve seen so far....

# THE PROPHECIES

In 1947 we uncovered the book of Daniel, written and transcribed, from the year of its first penning on scrolls in 605BC to its last known penning on scrolls; 196 years before the Messiah was born, when it was transcribed in 200BC, and put in jars in caves for preservation. Then in 1947 it was recovered there in the holy land (so called Holy by the religious because of its connection to the lands of Gods people throughout the first age BC to AD time, the Bible times.

In that book of Daniel found in 1947, was a copy of which scriptures “the Messiah Himself held and read from when on earth”, “in the discovery of His own destiny” might I add, and from which He warned the church (our church) “too know and understand something that particularly Daniels book teaches”, referring to the old prophecies given to Daniel in 605BC, and please get the significance of this text; “it is the end time Gospel, valid as such to the very end obviously, and confirmed by our Lord Himself in person, and His words were recorded for us who read concerning the things our master asks us to know and understand, and that goes for the last man and woman (church all ages everywhere) to the end, thus at least for us, right?

So, take heart;

*Matthew 24 KJV*

<sup>14</sup> *And this gospel of the kingdom shall be preached in all the world for a witness unto all nations; and then shall the end come.*

<sup>15</sup> *When ye therefore shall see the abomination of desolation, spoken of by Daniel the prophet, stand in the holy place, (whoso readeth, let him understand:)*

From the reference He gave of the end of the world, the Messiah gives “us”, our generation, this warning, given by Him 230 some years after the Dead Sea scrolls were transcribed in 200BC, in the days when He walked this earth and near the end of His ministry, then later, after He had ascended into heaven,

He referenced that same book and its connection to future prophecy to John from heaven.

When He sent those old time and future time prophecies, “for us” here in this last generation, prophecies “to know and understand”, when He sent them down to His prophet John ([Revelations](#)), re-confirming the prophecies He had given to Daniel, and expanding upon them for the generations to come after John. Because, “He knew you and I would be reading this warning as we prepare for His return at the end of the world, and that it’s vital knowledge for our salvation, so that we aren’t deceived by the voice of the churches gone bad, as did the first one, and we won’t do as the Jews did, who faced their last days in Jerusalem, and didn’t prepare for that predicted destruction “and were lost”, and it was only those who followed the Lords warnings back then who escaped with their life, and friend, that’s why in His end time warnings for those in the end of time (us) who are also facing the same scenario, won’t be lost ([Matthew 24:3-51](#)) and not as those also who faced the last days of the flood who didn’t listen to the warnings and prepare for their end, are we?

John was given more detail than Daniel concerning things that were to be in his future, “past Johns time and down there at the end of time”, and it was all written down for us to read and see “how God has led, not only from the beginning of time, but as He will still be leading to the end” as He foretold He would.

Let’s ask the question then;

“When did God first give His predictions about the future”, and especially the ones that wouldn’t fulfill **until after “200 BC”** which included His “Timely” arrival, and, what about the ones that wouldn’t met their fulfillment until after the Messiah went back to heaven, so what about those prophecies given to Daniel and John?

This is obviously not only important but vital discovery for us to “know and understand”, since our Savior especially and personally asked us to right?

Things told Daniel and even John as they were recording those events for us, things they didn’t fully understand or know “if those prophecies of the future would come true or not”, but they, as all before the Messiah who believed, “knew they would come true as God gave them”, and so did those, who called on His name, after He went back to heaven “who believe”, they too would know and have faith that all God said “would come true even though they didn’t see it with their own eyes”, for they had all the proof they needed from “Gods history book - the Old Testament (scrolls to paper) to the New (cannoned KJV)”, Gods “Testaments and Prophecies”;

*Revelation 19 KJV*

*<sup>10</sup> And I fell at his feet to worship him. And he said unto me, See thou do it not: I am thy fellowservant, and of thy brethren that have the testimony of Jesus: worship God: for the testimony of Jesus is the spirit of prophecy.*

It was those, Testaments and Prophecies, including the angles (fellowservant) obviously, that sealed the faith of believe in God thru the spirit of the scriptures (His Word) and thru the life of Jesus which testified of those prophecies, and that belief, Newton, Martin Luther, and all the martyrs during the dark age reformation knew and held to death, and put their own faith into those scriptures as well (Sola Scriptura – the Bible and the Bible only, See Appendix “Rome’s Challenge”).

You see in 200 BC when the scribes were transcribing (re-copying the original manuscripts is what that word means), when they were transcribing the scriptures in 200BC God had already predicted that the Roman Empire would destroy the Grecian Empire, and that prophetic event wouldn’t happen until

“beyond the time of their transcribing in which time they were living 200BC, that prophecy was yet to fulfill years later in 168BC when that changing of the empires (Greece to Rome) of history actually happened “some 35 years± into their future” from 200BC (Think about it!)

Rome was just another insignificant habitation of people and didn’t become a real city for nearly 150 years after that prophecy was first given to Danile in 605BC and transcribed in 200BC, and Rome didn’t become the fourth world empire until as we said 35 years after the copies of that book were sealed and put in caves, and the scriptures of Daniel, they were copying God made it clear; Rome (the fourth World empire as described) would take rule of the world, just as had the first three World Empires, which of course God also predicted and named in advance of their rule as well.

BABYLON                      MEDO/PERSIA                      GREECE                      ROME                      10 KINGDOMS DIVIDED

IMAGE DANIEL WAS SHOWN REPRESENTING THE WORLD EMPIRES TO COME – IN THE FEET IS WHERE WE ARE TODAY

The prophecies clearly defined what powers would rule the world “under one head” from the time of Babylon predicted in 605BC, and then in Daniels personal future, to the Medes and Persians World Empire predicted to happen 67 years in advance and then on to the remaining ones.

From the fall of Babylon, something Daniel actually saw happen in 538BC, and then on past Daniels time to when the Medes and Persians would be conquered in 331BC, something he didn’t see, but he obviously had faith it would take place “just as had Gods prediction of Babylon’s fall which he experienced”, and listen, that was an impossible overtaking in which “only God could have seen, and, actually directed”, in that; “Babylon was unconquerable at the time in those days” it should have never been destroyed by any enemy, but it was and just as God described, and like I said actually orchestrated. (See how it was impossible for Babylon to fall, but, she did by Gods hand in the process, See “Babylon” [www.mosescats.com](http://www.mosescats.com) for full details).

A CLAY TABLET THAT TELLS OF SENNACHERIB’S ATTEMPTED CONQUERING OF JERUSALEM  
MATCHING THE SAME HISTORY AS GIVEN IN THE BIBLE

Contemporary history has revealed “from nonreligious - man’s recordings”, that an Assyrian King named Sennacherib tried to destroy Gods city of Jerusalem, as described on that stone above. This same description was also recorded by the way, nearly verbatim, in Gods history book, where that event was also documented. Who plagiarized who you doubters?

Anyway, it wasn’t until nearly 100 years later from when that attempted conquest was stopped by God, (and Sennacherib knew it was God by the way that kept him from overtaking Jerusalem), that another Assyrian king Nebuchadnezzar was in fact “allowed then by God” to destroy His (Gods) city of Jerusalem.

So let’s ask; do you really think Sennacherib read Isaiah’ account and carved the stone from it?

Hardly, Daniel was actually just confirming the history “written in advance” as prophesized by Isaiah some “85 years before Daniel was even in Babylon”?

Or, was it when Daniel was captured and got to Babylon, he just happened to see that stone in the kings library, and noticed it’s comparison to Isaiah’s account and then he wrote down the account from that, of an event he had no idea could even take place in the unconquerable city of Babylon?

Could you then call that plagiarism, as some do by either of the Bible writers of Gods prophets, Isaiah or Daniel?

If so, then you just proved that contemporary history was the original documentation of this event of history, saying then, the existence of “Gods intervention in history was simply “just an understood fact” even by the contemporaries own words and records?”

Something we know now to be true from all the archeological discoveries we’ve uncovered, like the few we saw on stones above, where we, see

contemporary man telling about encounters with Gods people and thus, confirming “Gods existence” and His intervention in the history of mankind.

That stone we just saw above was not discovered until 2500 years later from when it was inscribed, uncovered in the mid 1800’s AD by archeologists, who, dug down right into the king’s library where they found some 20 thousand clay tablets, historical documents and artifacts.

Daniels writings weren’t discovered until nearly 100 more years later (in 1947AD), and both records combined prove Gods history and, His predicted history, as well as many stones recordings of overlapping history by contemporary and non-religious sources which all speak of Gods hand in our world “as a reality” (See excerpt from “George Smiths” archeological findings, appendix).

Let’s drop back now to the history as recorded by the Bible, to the time when Sennacherib faced Daniels God in Battle over Jerusalem, and discover too that Sennacherib's successor the Assyrian king Nebuchadnezzar finally did Conquer Jerusalem, and, who also stood face to face with Daniels God, actually seeing him in a burning Furnace, and then later, also discovered and realized “His reality” in dreams given to Him by God Himself, in a time; when this all powerful king, who had conquered all the other cities of “the then known world”, in building up to become the first World Empire he named “Babylon”.

Babylon was obviously named because it was possibly built out of the stones from the old tower of Babel on this side of the flood, all these events of history being there in that vicinity of the world still called the Holy lands?

Anyway, this powerful king in his own right (or so he thought) over time “came to accept what his ancestors knew as facts; that Daniels “God of Creation” is God, the One and almighty God of our antediluvian past.

SO “IN FACT” THE CITY OF BABYLON IS A WELL DOCUMENTED HISTORICAL “FACT”

This image was proposed as one of the icons of the European Union when it was first forming, and it depicts the construction, or reconstruction, who knows, but obviously of the tower of Babel, “a well-known fact of the past”, that can only be denied its place in history by the few, but, soon to be by the many, starting with those who rejected this icon be used and it wasn’t because of its connection to God?

The city of Babylon, named obviously after that famous antediluvian tower (Bab-el/Bab-ylon men built after the flood as the Bible records.

The flood an event contemporary man also wrote about, as well as other major events “where God intervened in mankind’s history”, as if it were the history of the world passed down to us as the way it was?

Not only as inscriptions on stone but also in the transcribed copies of the Bible handed down to 200BC, and then down to our hands today.

Below is another look at other stones carved by ancient men who recorded;

**“The world’s greatest events in time”  
as mankind’s history and thusly  
confirming the Bible  
just as do the Dead scrolls.**

But sorry to say only a few realize this today, or, the origin of mankind accepted today would be called “recorded history” and not Evolution based on “pre-history” which is nothing more than “unrecorded” guesses, theories so called “before history was recorded”, thus by no history at all is the universal belief in evolution!

Just theories, such as today’s gospel still called “the theory of evolution”, that knows no god save itself or its makers, and the ignorance of these records have also led “the church itself to reject not only God’s recorded history but the records written on stone from our ancient past when man first started recording events of history, and they stand on their own feet as far as when they were recorded. So guess where those historical documents are stored? In the back rooms of the museums few have access to.

Just so, might I add, has the church accepted their theories (in part) and you I assume as its follower, which has led to the rejection of the commandments

of God, that, “were also written on stone” at a specific date in our history, and friend; “there is a connection there” that’s vitally important for us to see. (See [www.theuniversalreligion.com](http://www.theuniversalreligion.com) “We look like God”, for more than enough evidence of a connection as to why the church is being deceived.)

Sodom and Gomorrah

The Flood

The “7” Creation tablets

Upon the conquering of Jerusalem, Daniel was brought back by Nebuchadnezzar as a captive to Babylon, because he was a harborier of the Chaldean culture, however, once that culture was learned, as all Nebuchadnezzar’s captives, he was to “then be synthesized into Babylon’s culture”.

But Daniel was a man who not only believed in God but also followed His ways and His religion (Big difference), and remained in constant communication with Him through prayer, and as a result of his closeness to God he was given prophecies that not only dealt with his times, but future times as well.

There in Babylon, as recorded in Daniels book of that time in history, King Nebuchadnezzar had a dream, but when he awoke from it he couldn’t remember what he had dreamed, but he knew that it was a vision of great importance and he had to remember.

So he called his soothsayers, magicians, tellers and seer’s together to “tell him what he had dreamed”, and of course they told him that “no one except the gods could do such a thing”.

Nebuchadnezzar, who obviously always got his wish, condemned them all to death, and since Daniel was known as a visionary who had interpreted some

dreams, he was considered part of the false prophets by the king and was also sentenced to be killed.

As soon as he was given that news, Daniel went before the king and asked if he could counsel “his God, the One God of creation”, who could tell him what he dreamed, so the king spared his life till then.

Daniel prayed to God for the answer (in [Daniel 2](#), where you can read about it), and God gave him the interpretation to give Nebuchadnezzar as to what he had dreamed, and when Daniel told him, he remembered, and it was exactly what he had dreamed.

He saw a great metal image, as we can conceive from scripture, the history;

But now, he wanted Daniel to tell him what it meant of course.

So Daniel counseled God again and was given the interpretation.

As with all of Gods prophecies, only the Bible can interpret them, not any man “or it’s a false interpretation” as we have seen in the Left behinds, the Hal Lindsey’s and the latest by preacher so and so.

Many have come and many will go making themselves seem connected to God but discovered “not to be”.

‘The head of Gold you saw’, as God told Nebuchadnezzar, ‘represents your kingdom of Babylon’, being the first empire to rule the then known world of Mesopotamia.

The lands in which Gods people resided to that point in time, “as well as had most all of the society of mankind” back then, clear up till near the turn of the ages BC/AD the year “0”, and that’s 2015 years ago from today counting backwards.

Here is what we know about that time in history, around the year “0” as depicted on an [ancient map](#) I told you we would see;

.....

Entitled “A Map of the World” by Posidonious 1<sup>st</sup> century BC (150-130 BC)  
That’s only a 125 years before Messiah was born.

Who was Posidonius?

Wikipedia;

Posidonius was celebrated as a [polymath](#) throughout the Graeco-Roman world because he came near to mastering **all the knowledge of his time**, similar to [Aristotle](#) and [Eratosthenes](#).

.....

As you can see the borders of the world, that was carrying the knowledge (worlds history) in those days near and even around the year “0”, was basically the Mesopotamian area, and not a lot of known people masses lived outside of that arena (that’s why it’s called the Old country, this is especially where Gods people had developed as well as Gods religion, Gods participation

in our history, to that point in time anyway, and this is why the prophecies given to Daniel dealt mainly “about that area where of course the Messiah was to be born”.

In another dream given to Daniel a few years later; God “using symbolic images again”, to represent the same kingdom of Babylon; pictured that kingdom not as a head of Gold, but as “a lion with eagles wings”, we are going to see actual monuments in a minuet depicted as such, but, I wanted you to see how God used symbols to represent kingdoms, nations and Empires in prophecy, and most importantly that they all were given “to help us see beyond a shadow of a doubt that He (God) sees the future and even controls the future, and is always 100% accurate in doing so, sometimes 1000’s of years in advance”.

Notice an image on the wall in olden Babylon; “still standing today”, that is if ISIS hasn’t destroyed it yet, working of course under Satan’s influence to destroy all the relics of our past so as to eliminate Gods history finally, as have most of the groups of terror and destruction, including the mother church as we have already seen in part, “kindred spirits my friend” if only you could see it!

Please stick with me and you will and even with years of study every time I look at prophecy I see more and more from the Bible clustered sometimes in just a few texts much from God can be revealed. (Look for my mini-series to come on [www.theuniversalreligion.com](http://www.theuniversalreligion.com) .

Notice this image on the wall in olden Babylon; “still standing today”,

REPAINTED BY SADAM HUSAIN IN IRAQ

Babylon's icon was just as God described it, and it's still standing from that very era in time, in the days of Nebuchadnezzar and Daniel, and it's "dated by well documented history" both Gods in the Bible and Contemporary as well, on stone, and tells us of the very years that is described in the Bible.

A BABYLONIAN ICONIC IMAGE FOUND AMONG RUINS.....

PHOTO TAKEN DURING DESERT STORM

SADAM CLAIMED DANIELS NEBUCHADNEZZAR WAS A DISTANT RELATIVE -  
THUS HE INHERITED THE ANCIENT CITY OF BABYLON BY BIRTH – MAYBE SO??

The Mesopotamian area is the holdings of all the ancient documents, the most ancient cities of the past bar none, and relics, including the most ancient of our history, and “not Africa what a joke”, or even China as old of a civilization it is “it’s not the oldest”, and especially where we all began as mankind! (Search [www.amazon.com](http://www.amazon.com) “Animal stories ancion” for more than enough proof-a must read), but let’s get back to king Nebuchadnezzar’s dream of the image;

God told Nebuchadnezzar thru Daniel; that another kingdom was to conquer Babylon, represented as the breast of silver on the image, and that it was to be the Medo/Persian Empire, and the name of its king who would bring the “unconquerable” kingdom of Babylon down.

God even gave his name in a prophecy to Isaiah in (690BC) 90 years before that king was even born, and 86 years before he gave Nebuchadnezzar the dream.

Talk about God knowing the future, and that man was: named “Cyrus” a name God spoke and his mother evidentially heard or does God see the future before it happens, da, you be the judge!

God even told Isaiah [[44:28](#), [45:1-3](#)] how Cyrus’s army would bring down Babylon, and of course, it came to pass “just as God predicted” (See Appendix

“BABYLON”, See also my web site [www.mosescats.com](http://www.mosescats.com) “Babylon” for complete details and study on that subject).

Did Cyrus exist in the years God gave in His Prophecies, prophecies by the way we can back in by the events and the times given for each to fulfill, where , when and how they fulfilled as God predicted - 100%.

Here’s a documented example that we can relate to today:

In 1798AD the Pope was pulled of the throne by French general Berthier, the exact year God said that it would happen, at the end of the 1260 year prophecy; a prophecy He gave both Daniel and John.

Thus by going back 1260 years from that fulfillment, takes us to the year 538AD. The event that happened in that year “was recorded for posterity by historians”;

In that very year Emperor Justinian, head of the remnants of the broken down Roman Empire, but still with some authority, Justinian allied together with the Pope (defined as the little horn power by God) and eventually gave full political power over to the Papacy (Pope) starting his (her) “bona fide reign as both religious as well as political power” over the then know world society, but not as a world empire status as the four before her, however as the power to contend with as head over the society of mankind with both political and religious authority. “This of course had an effect on Gods people and His religion”, and thus why God gave the prophecy about this power from whom He had to hide His church from to keep it from being destroyed by wiping it out of existence or by perversion of its (Gods) message (everlasting gospel), so He hid His church (people) in the mountains of Europe from that now persecuting power who attempts to destroy the evidence the Bible held about her as we’ve already discussed. The picture in symbolisms is found in ([Rev. 12:13-17](#), 1260 vs’s. [6 & 14](#)) as well as the 1260 years of her reign I mentioned.

The Pope had already been given power over religion after the French revolution failed, by ousting religion altogether and setting up reason as it's god. Something today the USA is well on its way of doing by some unknown force "of a minority control", how has this happened?

Regardless, the results will be the same as in France, who quickly saw that "religion of some kind was deemed necessary" or the society will implode on itself, and the Pope was the right one to administer it, as well as controlling the protestors (protestants) and, she did so by deeming them heretics (same as infidels) and killing over 100,000,000+ before 1798AD when France finally woke up and ended her reign of terror by pulling the Pope off his throne giving her the prophetic wound John was shown. ([Rev. 13:3](#))

I wonder how long it will take us to realize that "religion" solely Christian religion, is all that has held this country together, but friend, this time it's different here in the last harbor for Christianity, because apostate Protestant religion is what is going to ally itself again with the Papacy, actually already has in her worship right? Despite what you may think "God has foretold it and this is why we need to know what the prophecies have told us in advance it's going to happen as a warning". (remember [Matthew 24:11-15](#))

This will all come clear as we study the prophecies for we will see clearly how and why God spelled it all out for us, and the picture He gives us "only defines one power on earth; that rose after the fall of Rome reigned for exactly 1260 years and then was cut off by a seemingly deadly wound", but, that wound would heal and we are "current with that prophecy to date", and that power was; the prophetic little horn and described in Daniel and in more detail by John (actually Jesus), where we see who the beast of [Revelation 12, 13, 14](#) was and who is still placing marks on people but that's another story for later.

CYRUS CYLINDER FOUND in 1879AD OVER 2000 YEARS AFTER THE  
TRANSCRIBED SCRIPTURES (DEAD SEA SCROLLS) WERE HIDDEN

Back to Cyrus the Persian king and a man God chose from birth to do His will, and he did it

The second World Empire of history according to God was Medo/Persia under King Cyrus, and as I said; he was named by God In prophecy 91 years before he was even (born in 600 BC) named in Isaiah's prophecy given in 690 BC (See [Isaiah 44:28, 45:1-3](#)) where God mentions Cyrus and how Cyrus was even going to conquer the unconquerable Babylon some 158 years into the future, and then after attaining rulership, we read of Cyrus's and his predecessors commitment to the rebuilding of Jerusalem destroyed by Nebuchadnezzar "showing us why God choose him".

That rebuilding began in 457BC, the starting point of a time prophecy, when the Jews were sent back to restore Jerusalem and to build up its gates and walls torn down by Nebuchadnezzar, and that actual decree is found in [Ezra 7:13](#), given by the then king of Persia "fulfilling Cyrus's decree and Gods prophecy", and giving us a time frame for the starting point of "one of Gods

longest time prophecies that stretch up into our age 2300 years in length to its fulfillment in 1843-44AD.

The history leading up to the decree, from the Bible, can be found in the following texts in part for your information;

**(Isaiah 44:28, 45:1-3, II Chronicles 36:19-, Jerimiah 2:10 Ezra 1:1-3, 7:13)**

This documentation helps us see how Gods hands were in control of the kings “of the first two World Empires”, during those times, as defined and recorded by God and for our confirmation; “contemporary history also confirms it - on stone documents”, so it’s a double blind test if you will.

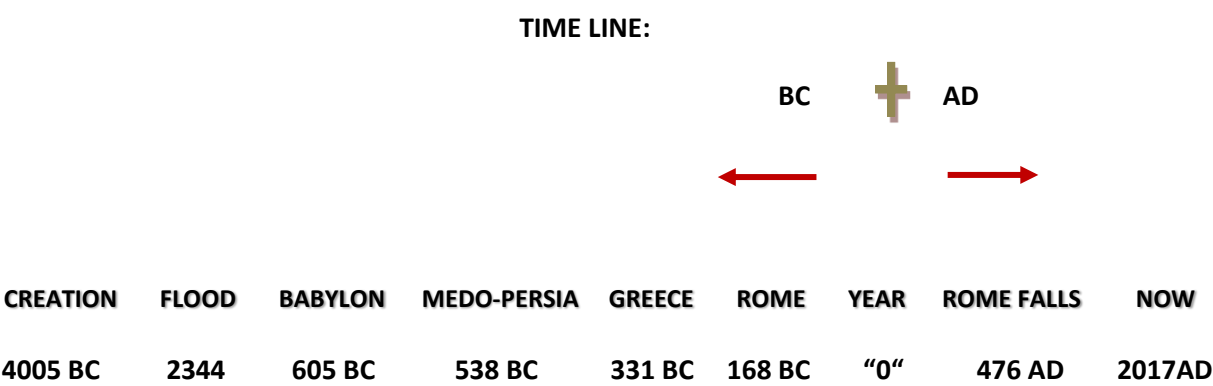

Nineveh (If Isis has not destroyed it as yet)

Most of those contemporary confirmations were discovered in the kings library right there where they were placed by Sennacherib’s ancestry (remember him?) there in the library in ancient Nineveh in BC times, and unearthed in the 19<sup>th</sup> century AD by archeologists, and much more will be discovered as the years pass and newer discoveries are being made, over there still in the holy land for Gods people, in the ancient world of Mesopotamia where those monuments still stand today as historical realities, well, let’s hope they are.

If BC to AD time periods fool you, look at this chart, but remember; when calculating from BC to Ad times you do not add a year for “0” for there isn’t

one, and when reckoning say the 2300 year prophecy, I just spoke about, you add 457BC to 1844AD “since counting years in BC time goes backwards and in Ad time forwards, we are 2017 years from the year 0 now in our age, see it?

So by taking away the year “0” from [457+1844-1] you get 2300 years. ([Daniel 8:8-14-](#)) did notice in that text; Medo/Persia and even Greece are mentioned, and the little horn that came out of them causing the transgression (abomination) of desolation spoken about as well as other ties “to the beast power of Daniel and Revelation we have been talking about”, and then the 2300 prophetic days are given, but they are actual years we are going to discover in reckoning this all “time” prophecies given in scriotue. These things all tie together and it will come clear, so stick with me.

The third kingdom, being the third World Empire, to reign over the earth under one head (king), was also named in advance by God, long before it was to become “the waist and hips of bronze”, and that was the Grecian empire in 331 BC, and, God even gave Daniel Medo/Persia’s “conquering kingdoms name” (in another prophecy given in the year of 543BC to [Daniel in chapter 8](#)) He named that conqueror as the king of “Grecia” who didn’t conquer Medo/Persia until 331BC some 202 years into the future from 543BC.

God even described “it’s head and his successors”, in symbolic language again as on the image as He had done in the previous prophecy to Nebuchadnezzar (using Metals as the hips of bronze representing Greece), but now to Daniel He uses beasts as representations;

God described this [3<sup>rd</sup> beast](#) as having four wings, which symbolized (looking back) at what great speed “Alexander the Great” conquered the world establishing the third World Empire, but, he died at an early age and his four generals, (represented by the four heads) took over his kingdom till “that Empire was lost to the next”.

The [fourth](#) and last of the great Empires of the World was Rome, (represented as the legs of Iron), and even to today; the Roman age is labeled as “the age of Iron”, but then, in His prophecy to Daniel, God described how it then would be conquered by Ten Kings who would take her down, and further, He foretold that “in the days of those Ten kingdoms “a Little Horned Power” would

emerge and take control in that arena till the end of time, when God; would once again intervene and destroy them all “at His Second Coming”, and then He would “set up His kingdom that would last forever”, from the first kingdom to the last in “mankind’s future” as foretold through prophecy by God.

I want to add something right here, that actually tells why I’m writing about these prophecies; it’s the claim by scoffers and doubters who say “the Bible recorders and writers looked back into history and then wrote down these events making them seem as having been given by God as future prophecies, and they go on to say that they never really took place, and all the claimed history can only be proven by the Bible”.

This is the argument that the Bible compilers just plagiarized known history and made up these prophecies to make it seem like miraculous predictions.

Is this true?

Well, you could make that argument **if we hadn’t found the Dead Sea scrolls!**

Where some of these prophecies that had been written about “but not fulfilled” in 200BC, like the one about the little horn, or the existence of Rome as the last world empire, the ten kingdoms that took Rome down, and the fact that Rome did not exist in the days of Daniel as any kind of power anyway, nor was it an aspiring world conqueror as yet, even in the days when those scrolls were put in that cave Rome had not yet conquered the world as an “world empire”

So no one could have known the details the Bible gave about Rome in those days the ten kingdoms and all, until they actually happened, and absolutely no one could have known about the Roman Catholic Church which didn’t form in power until after the fall of Rome, despite her claims!

So, to discount these few facts, and put doubt on the others, is nothing but ignorance of history by the anti-Christ followers, as well as the evolutionists

and their religious following, which unfortunately, makes up about all of them by now, especially when you include the apostate protestants who have given over their allegiance to the Pope, “which, by the way, was predicted way back in Daniels time”, and, “why this God given information is still unknown 2500+ years later save by a very few real Bible students”

When this is vital information we need to know to fall to Gods side, and not the anti-Christ’s, or the other false religions, “who have no prophecy that can be confirmed” as was, and is, the Words of the One God of Daniel and John, our Father and Savior.

We must realize as today, when people talk about how mysterious the prophecies of Daniel and Revelation are, and, hear those who fabricate their interpretations “God never made” confusing the prophecies and making them appear to predict all kinds of crazy things, which by the way, never pan out like; Nostradamus, Hall Lindsey and all those who have confused Gods plain words that can be interpreted “only by His Word” not any mans ([II Peter 1:20-21](#)), we must realize it’s Satan’s plan to destroy this knowledge for it could foil his plans, he has his cohorts working on as we speak, so wake up or be deceived.

Ok, I got that off my chest so back to history “our history...”

Daniel yes, was perplexed as he recorded Gods futuristic prophecies, that he had no way of applying them to history as can we, but “Daniel knew they would come true” for he had experienced Babylon being overthrown by the Medes and Persians, just as God had predicted, so He knew God was in control in building up and taking down nations as He had claimed ([Daniel 2:21-22](#)).

Only God knows the future, and only He controls it, and now, “we should be able to see that fact clearly”, should we choose to that is, for it’s all in the Bible, and confirmed by recorded history, in times and dates we all use and

know, and are as the heavens that confirm them, remember the first step to salvation is Belief “faith” just saying.

Four beasts that Daniel was shown representing the four World Empires of history;

Babylon – a lion

Medo/Persia – a bear

Greece – a Leopard

Rome – Beast with Ten Horns and  
Little horn coming up in middle

So as I have referenced to this point; God told Daniel in another vision “the same future history He told Nebuchadnezzar with the metal image”, but using different symbolisms; this time instead of an image representing future kingdoms, it was beasts coming up from the sea one after the other ([Daniel 7](#)), and of course; the first beast represented the first World Empire of Babylon, and the second described as the Meds and Persians, and the third He named for Daniel “many years in advance remember” as the Grecian Empire, and the last God depicted as a nondescript beast “dreadful and terrible” the greatest of all and the last Rome.

But then, He (God) described for us through Daniel, how another “little horned beast or kingdom” would arise, and in those days of the ten toes of the image, as we have already discussed which were the ten historical kingdoms that destroyed Rome, and this Little Horned Beast power would rise to power out from their midst, and “destroy utterly (actually Genocide) three of those ten horns (representing Ten Kingdoms) that came up out of the forth beast”, and eventually, that Little Horn power would become the Beast that

would rule for the longest period of time “over Gods people”, and do many things against God and His church (His people).

But, at the end of those days, given by God in a “time frame of the length of that little horns rule”, (The dark ages as we know them to have been of **1260 years** in length), at the end of that period that beast would receive “a deadly wound”, and Gods saints would be able then to take the Word of God (His light, out from the spiritual Darkness) “into all the world in preparation for the end of times” ([Rev.14:6,14](#)).

All this foretold history, as we will see, has been confirmed “as our true history” by “the discovery of the Dead Sea Scrolls”, and in particular “the Book of Daniel”, which is the reason for this writing as I said, but let’s go on now in more detail.

Back to the history;

Now Daniel knew, all that God had said would come true, for he had seen the evidence first hand and experienced it, as did Noah, Moses, Abraham and even the city of Nineveh (Search [www.amazon.com](http://www.amazon.com) “Jonah and the Whale Ancion”), they, among many others, all saw and told of Gods direct dealings with mankind, but he (Daniel) wanted to know more about these time frames he had been shown and of these events to come as foretold by the Lord.

Especially “one vision” he had been given about a specific predicted event that had a time frame of “**2300** prophetic days or actual **years**”, “that had something to do with the cleansing of Gods temple” ([Daniel 8:14](#)), which Daniel thought wrongfully that God was talking about “the temple back there in Jerusalem that Nebuchadnezzar had plundered”. Daniel thought this because of his desire for his people and himself to be back there to see it rebuilt, which is obvious if you read his prayer in [Daniel 9](#) as he sought for answers. If only we would do the same when faced with questions

(remember Adam and Eve who didn't consult God for answers and the result – death!).

But when Daniel sought for an interpretation of this vision, he was first told then something odd, he was told to “to [shut it up](#)”, “close the book”, for the prophecy had nothing to do with that temple laying desolate back there in Jerusalem, but, this prophecy was actually describing events way off in time, way off in the future, too far off for Daniel to consider.

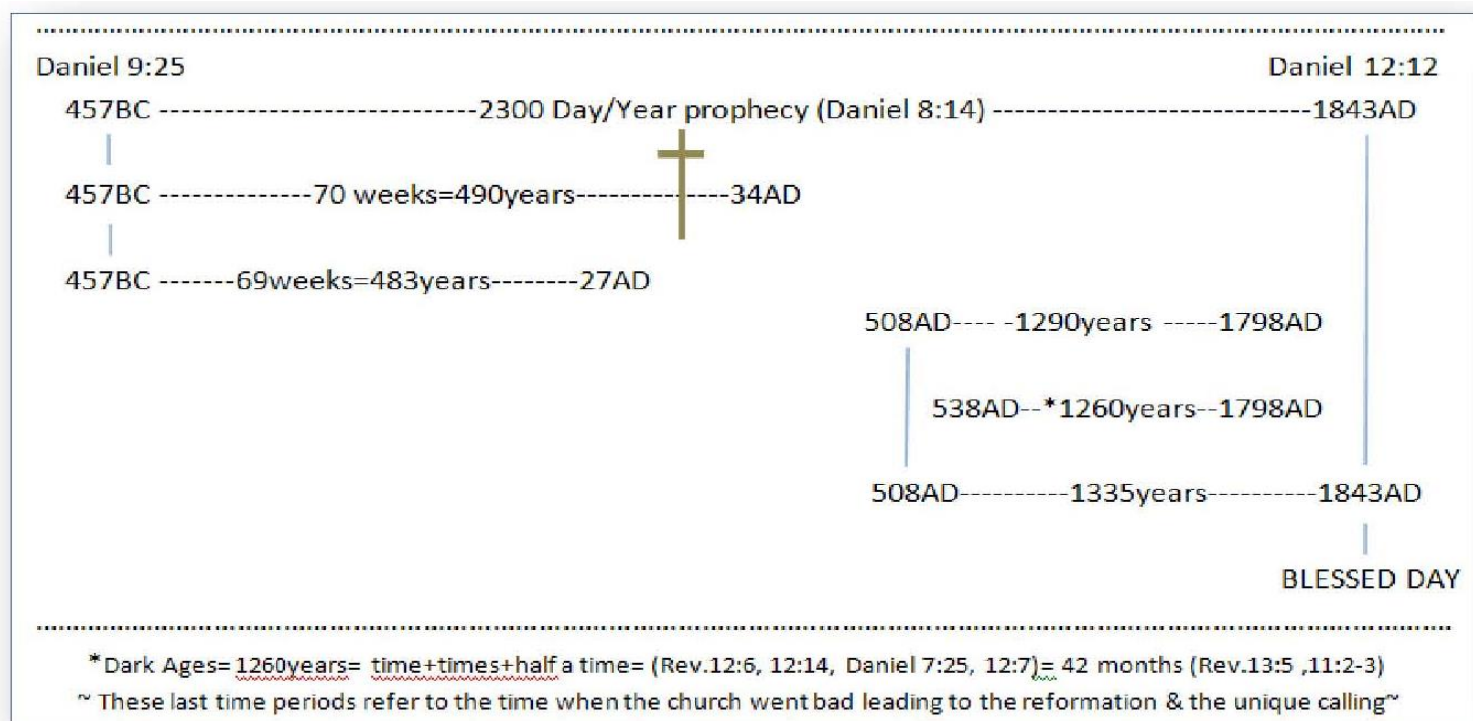

Now of course that sparked Daniels curiosity, and He begged God for the answers and the interpretation then of what it meant, despite having been told to shut it up forget it.

We see this desire of Daniel for truth in a prayer you can read in [Daniel 9](#), and since Daniel was so loved by God, and was so faithful in all that he did for Him, God gave Daniel “the interpretation of what that time frame of 2300 days represented”, but, that cleansing had to do with the temple of God “in heaven” not earth, and the fulfillment of the 2300 days prophecy would mark “the beginning of the final judgment in heaven” settling all the case of the past either for or against God, and that judgment would begin at the end of that prophecy “fulfilling it”, but in so doing it gave also dates of the events that had to do with salvation; like the year of the appearance of the predicted Messiahs first coming, and these events were given in “time frames” as well so that there would be no doubt that when the Messiah came “on prophetic as well as historical time”, everybody would know it was Him and not some imposture, and listen; “this prophecy is for us as well” since it stretched into our period of history, marking the end times to come, at “the end of that prophecy begins the judgment” given as the cleansing of the sanctuary-same thing for that day of Yom Kippur was a day of judgments for Gods people back then and a typical service with the anti-typical one being the judgment that started in 1844AD.

When our case (the cases of the living) will come up some time in the courts of heaven, we won't be there but our advocate will ([Hebrews 8, I John 2](#)) and this is another aspect of prophecy we must know! By which gives us the way of salvation "through the Messiah" as well as all of those faithful throughout history from the beginning to the end. (see [www.mosescats.com](http://www.mosescats.com) "Yom Kippur")

Here is a breakdown of that longest of time prophecies given in the Bible of "2300 day/representing years in length", from its starting point, given around "Daniels time" till it's end "in our time", that foretells, of events that come clear up past BC time, into AD time and to our generation.

This prophecy, as all the others, recorded and transcribed all throughout the years leading up to the transcribing in 200BC of the Dead Sea scrolls, all tell of events that not only would take place up to 200BC "but then stretches on to the greatest of all future events predicted in time (from Eden) and that being "the Messiah's first coming!"

Beginning with His baptism in (27AD), to His death in (30AD), all of the foretold events came true and not only on the political front, but how it affected the religious front as predicted by God. Focusing of course “to the very hour His life was cut off at the [cross](#)”, being

“the most important prophecy” in the Bible;  
Telling what would take place in history  
in that very year, being also  
“the focal point of History itself BC/AD”,

telling of events accomplished by not only the Romans, but By His own church in (30AD) concerning the Messiah, and then, this prophecy stretches beyond that event, that marked the cruxes of the two great periods of time as it were that we still honor today in dating past and present, to “the handing off of the history and Gospel the Jews brought forward, but failed to keep it, to the second church of the Gentiles (34AD), and then passing on in foretold history all through the Dark Ages ([Rev. 12](#)) up to the time when that “little horned beast” that came up out of Rome in the previous prophecies, to when it would receive it’s wound (1798AD), to the blessed day or year (1844AD) when the true remnant church, could once again, because of the wound of the papacy, be able to spread the unadulterated Gospel into the whole world, the Gospel kept hidden by God during that long 1260 year period, but now in that blessed year hence the Gospel, eternal Gospel would be able to go into all the world as a witness “unconstrained” (See “the Early and Latter Rain ancion” coming soon to Amazon).

Until that is, such a time when “that wound would heal” and all the world ([Rev. 14](#)) would follow “the worship of that little horn power once again”, and when it would become fully “the Abomination of desolation” as God had described her to become, way back there in Daniels time ([Daniel 8:9-8,13](#)), and that power will claim to stand in the holy place of God, being just a man of

no Godly authority, he will be anti-Christ as the Messiah warned us to know the truth about in His time as spoken by Daniel ([Matthew 24:15](#)) the prophet who told us about that time to come, “our time”, and friend “all those prophecies and warnings were given for us” down here post 1844AD and why?

To help us see clearly who that power was and will be, and, as is in all the ages these warnings were “recorded by God in advance” (The importance of Prophecy), keeping us informed right up to the very end, and that “our salvation” hangs in the balance; “by what and who we believe in and worship with” as the Bible defines. [Revelation 14:6-11](#) may be one of the most important texts for those who worship in the last days so that they are sure just who it is they are worshiping and as you can see it is a salvation issue, and this message is as [verse 6](#) states, and friend, that includes the religious “especially” for they are the most in danger. (Therefore the importance of prophecy cannot be understated. It’s clearly and emphatically stated there in the last words of our Savior, if only we would see it; ([Revelation 22:6-9](#)) What more can He say?

Do you see now why the discovery of those “Dead Sea Scrolls” was and is so important, and something that everyone needs to know?

Because they prove the Bible as the one thing in this world we can know for sure is truth, unadulterated and His prophecies were given in advance by God as proofs that the Word of God is Truth given to us as a people, (church) so that we can know who we are and who we can be, and friend;

“life forever hangs on our faith,

as did Abrahams faith

(father of the faithful)

as did all who came before him

([Hebrews 11](#)). But Abraham's faith is no more important than Daniels faith, Johns faith, Luther's faith and men like him who lost their life standing for its truth. ([Revelation 12:11-12](#))

Men like Sir Isaac Newton who took the time to understand those things that have been spelled out since the beginning, things for us to know "as our Savior and Lord requested". All these things were given "for all those who believe in the God of prophecy and all these things were found to be "Truth for all times" and they took them to heart.

Will we?

How then does the discovery of the Dead Sea scrolls prove the Bible as the Word of God from Genesis to Revelation?

It's simple - through "Prophecy" - and how so, as if we haven't already been shown?

## THE SCROLLS

The Dead Sea scrolls as we know, were discovered in 1947 AD, and when they were carbon dated, it was found they were transcriptions (hand written copies) of the scriptures handed down through the ages to that time in 200BC, and put in jars for preservation (by Gods design I'm sure of it now), put in caves where they lied hidden from Gods enemies for their protection (and future proofs as we should be sure of by now).

These transcriptions, which were obviously written by religious scribes (Important point), when found in 1947AD were compared to the "Bibles we held in our religious hands" at the time, by Biblical scholars (important point) of Gods' Word; "they were found to be essentially the same scriptures we

hold today”, hand copies of the history of God as had been done since Moses’ time who first put them to pen.

Get this now, as we hit the nail on the head of proof; the book of “Daniel was found among those scrolls”, and it contained the history as we’ve seen it above, including “prophecies that hadn’t happened as yet in the year that they were being copied in 200BC”.

Prophecies yet to play out but recorded in advance by God, things like;

Rome, was not a religious center “as was Nineveh known to be” by all Greek scholars and [polymaths](#) (Like the one we saw on the map earlier), and Rome had not achieved World Empire status and that wouldn’t happen for another 60 years in the future of when the coping of those ancient manuscripts took place, and what’s even more telling, and the greatest proof of all; “the Messiah hadn’t come as yet”, as predicted to come in the very year given in those prophecies they were transcribing!

You know, the One Gods people had been waiting on since Eden, the “One” **His own church** rejected.

So, even if it was His people hand copying His Word, they had no idea of His soon coming (scheduled to happen 196 years in their future), as did the church obviously when He came, despite the prophecy?

Despite those “predicted events spelled out in God’s Word” as far back as 605BC, and really even as far back in Eden ([Genesis 3:15](#)), the actual coming of the Messaih as well as other predictions “were not history as yet, and wouldn’t be for another 100 to 1700 years in the future”.

“Yet” God gave them, sent His Son to testify of them ([Rev. 19:10](#)), then had to hide them, and at a given prophetic time, He resurrected them, and looking

back; we can see “all those prophecies He gave came true 100% fulfillments just as He had predicted”, making the Bible we hold today undoubtedly, the most ancient documented texts, “making them our history”.

The Bible is Mankind’s history  
“by virtue of Prophetic Fulfillments”  
no one “could have seen”  
especially when the Dead Sea Scrolls  
were being transcribed.

How do we know that?

They hadn’t happened yet!!

Can you see this, and if so, what is the question then?

Still in doubt?

If so, and I know it’s a lot to take in, but if it’s more detail you need; see Appendix “Biblical prophecy” for the complete study.

**SCROLLS:** *Gods word - our history...*

God’s Word is absolutely, unequivocally without doubt “our history, and God has seen fit to not only record it “but preserve it”, why would we doubt our God “if He is our God?”

He has preserved His word for mankind “to receive the most important thing he (Mankind-you and me and our children) can receive” and that is “eternal Life”, offered only through the Messiah, and friend, no one else, no worldly priest, preacher, cleric, religion or Kim young moon or any man or woman, church nor religion who may claim to offer eternal life if we believe in them and especially “Mary”, can offer, what only the Creator God, the God of S-

Abba-th can offer, “life eternal through His Son alone and He proves it beyond a shadow of a doubt!”

To those “who keep His Commandments” and believe “His testimonies” ([Rev. 12:17](#), [Rev. 14:12](#)) “which is the Faith”, as witnessed by the faithful throughout the ages of time” through prophecy as we have now seen in context, and, prophecy my friend ([Rev. 19:10](#)) is what the testimony of Jesus was and is!

Prophecy which our God has seen fit “to send to us as His gift - free for the taking”, and we can take that offer to the bank if we but choose to do so!

So;

*Isaiah 8: KJV*

*<sup>16</sup> Bind up the testimony, seal the law among my disciples.*

*<sup>17</sup> And I will wait upon the LORD, that hideth his face from the house of Jacob, and I will look for him.*

*<sup>18</sup> Behold, I and the children whom the LORD hath given me are for signs and for wonders in Israel from the LORD of hosts, which dwelleth in mount Zion.*

*<sup>19</sup> And when they shall say unto you, Seek unto them that have familiar spirits, and unto wizards that peep, and that mutter: should not a people seek unto their God? for the living to the dead?*

*<sup>20</sup> To the law and to the testimony: if they speak not according to this word, it is because there is no light in them.*

*<sup>21</sup> And they shall pass through it, hardly bestead and hungry: and it shall come to pass, that when they shall be hungry, they shall fret themselves, and curse their king and their God, and look upward.*

*<sup>22</sup> And they shall look unto the earth; and behold trouble and darkness, dimness of anguish; and they shall be driven to darkness. -Isaiah 8:16-20-*

## BABYLON

### Turned to dust: Saddam's version of Babylon

[May 5, 2003](#) [Alan Riding](#)

Saddam Hussein was hardly modest. Among the Iraqi heroes whom he considered his equals were Hammurabi, Nebuchadnezzar II and Alexander the Great. Since each had ruled Mesopotamia from Babylon, Saddam built a palace on a man-made hill beside the footprint of the once-great city. And since the view was of a dusty excavation site, in 1987 he ordered construction of a replica of Nebuchadnezzar's vast palace. For school groups and tourists visiting this latest Babylon, 70 kilometers (45 miles) south of Baghdad, the message was clear: Saddam, too, would be remembered centuries hence. [Read all of this article](#)

Real Babylonian Ruins

Saddam's Rebuilding

So “in fact” the city of Babylon is a well-documented historical “fact”, and the famous hanging gardens of Babylon are still one of the renowned “7 Wonders of the Ancient World” none can deny this “fact”.

Thus the tower of Babel, from which rubble Nebuchadnezzar obviously raised “his city”, is also well documented not only in the Biblical records, but also the contemporary as well, and from artifacts of which many are still buried in the

region and uncovered every day, but “time” will reveal its precise location I have no doubt, should “time” and interest last.

As far as the city of Babylon; we know about all there is to know from many sources, but my favorite is the Biblical account “naturally”, but let me give you some known statistics.

Artist's conception of the city of Babylon with the tower of Babel off in the distance

Nebuchadnezzar had married a woman from Lebanon, a most beautiful bride from a most beautiful city. Lebanon nestled between the mountains and the Mediterranean Sea, with the world renowned Cedar Trees, majestic in stature (making our California red woods look puny) all this made Lebanon a paradise.

However, Nebuchadnezzar brought his bride over to Babylon, a city of the delta region, a desolate kind of place compared to Lebanon, but to make up for that, he built her a great city of Gold, more splendid than “any city of this world will ever be” according to the prophet;

Daniel 2:

38 Prosperity attended the nation (Babylon) until

it reached a height of wealth and power that has

never since been equaled—fitly represented in the scriptures

by the inspired symbol, a “Head of Gold.”

Nebuchadnezzar of course covered his city with this precious metal (Gold) from the top to the bottom.

Babylon became world renowned for its splendor and modernization by virtue of the hanging gardens, he placed on its many tiers upward, a modern day application. All this he did to make his bride feel at home; and successful he was.

That was the city of "Babylon the great", the capital city of the Babylonian empire; which ruled the then known world from 605 BC to 538 BC;

TIME LINE:

"God portrayed Babylon as the head of gold in prophecy –  
Truly she was the last of her kind"

Babylon was truly the golden city, even God, according to an obscure prophet of the 1800's, was impressed by it grandeur. Notice what she writes God said about this city, giving also bible texts;

Prosperity attended the nation until it reached a height of wealth and power that has never since been equaled— fitly represented in the scriptures by the inspired symbol, a "head of gold." Daniel 2:38. {ED 175.4}

Isaiah 47:1-5.

O daughter of the Chaldeans; ..... The lady of kingdoms."

Jeremiah 51:13; Isaiah 13:19; 14:23

"O thou that dwellest upon many waters, abundant in treasures,

....."Babylon, the glory of kingdoms, the beauty of the Chaldees' excellency,

{ED 176.3}

Historians have supported the biblical writings about that great city of Nebuchadnezzar, that it truly was the golden city, of the golden kingdom, of a golden age never to be repeated nor seen again.

The great city of Babylon rose up in sight of the old tower of Babel.

Babylon's metropolis towered to a height never reached by any of its successors.

Situated in the Garden of the east; laid out in a perfect square "sixty miles" in circumference, "fifteen miles" on each side, as big as any of our "largest cities (proper)" in size.

Surrounded by a wall up to “300 feet” high and “87 feet” thick:

About the size of this building for comparison, we are talking about a WALL, surrounding the entire city, about the size of New York proper, a wall all the way around it 15 miles long “on each side” with a MOAT around it of “equal Capacity” of the wall itself 300 feet deep by 87 feet wide.

I’m not sure we can comprehend the sheer size of just the wall of the city itself much less the interior towers?

The city was divided into squares by its many streets, each “150 feet” in width, crossing at right angles, every one of them straight and level. The two hundred and twenty five (225) sq. miles of the cities enclosed surface was laid out in luxuriant pleasure grounds and gardens, interspersed with magnificent dwellings.

This city with its sixty miles of moats, its sixty miles of outer wall, its thirty miles of river wall through its center, a fifteen mile long river! Then it’s prize

possessions that made it famous, its hanging gardens raising terrace above terrace till they equaled in height to "the walls" themselves that's 600 feet up x fifteen miles square ? Twice the height of that building!

A staggering "200 feet higher than the pyramid at Gaza", and that pyramid is only 13 acres square, compared to 15 miles square! A man made mountain!

The temple of Belus in the city was itself was three miles in circumference, just the temple, with its two royal palaces; one - three and one half, and the other; eight miles in circumference. A subterranean tunnel under the river Euphrates connected these two palaces.

The perfect arrangement of the city was set up not only for convenience and ornament, but also for protection and defense. With its impregnable, un-scale-able walls and moat, and unlimited resources, this city had enough provisions on hand to hold out under **a twenty year siege from any enemy**, and actually with its broad limits could furnish food indefinitely for its inhabitants never having to leave the city, thus could essentially hold up forever against any siege.

This city is still the only city known by man to be impenetrable that could have held her independence clear up into the 16th century, and under total self-sufficiency if allowed by God.

The river Euphrates entered and emerged into the city passing under its immense walls, and great piles were driven down into the river only allowing enough space for water to pass acting as gates against the enemy. Some of the pilings only extended down about half way to the bottom of the river which at that point was 300 feet deep, this then was the only place where garrisons were needed in the unlikely hood anyone could fathom the 150 feet to go under the piling's, but it was heavily guarded on that unlikely account, considering; "any sizable amount of the enemy would not be able to tread

water long enough to make a successful attempt to enter the city before they were bowed down”.

Thus was the great city, of the **first world empire**, "Babylon the magnificent", which seemed to be able to *last forever, but....*

Isaiah 47:1-5

"Come down, and sit in the dust, O virgin daughter of Babylon,  
Sit on the ground: there is no throne....

Sit thou silent,

And get thee into darkness, O daughter of the Chaldeans;  
For thou shalt no more be called, The lady of kingdoms."

"O thou that dwellest upon many waters, abundant in treasures,  
Thine end is come, and the measure of thy covetousness,"

"Babylon, the glory of kingdoms,

The beauty of the Chaldees' excellency,

Shall be as when God overthrew Sodom and Gomorrah." {Ed 176.2}

When Nebuchadnezzar conquered the world for the first time; "Gods city of Jerusalem" did not escape, in fact; what Sennacherib could not do "Nebuchadnezzar did", and that was to leave the city of God in ruins. He broke down the temple and actually stole the gold and golden objects from the temple as well as plundered and ransacked the people, killing some, but as was his custom was from all the cultures he beset, he took captives of the young and brilliant men, as a means of getting from them I suppose all the good their culture and people had contributed to a society, as

Nebuchadnezzar was the first in establishing “a global society”, technically speaking that is.

You see; there were cultures of people who were founded in many parts of the Middle east, descendants of the three sons of Noah, as they spread out each going their own way as a result of the separation by God of the “one language into several” at the tower of Babel, as recorded in the Biblical record. We know this established not only the tongues but also the cultures and eventually the societies.

The early conquerors obviously had interest in sustaining the history of the cultures (for control), but as time went on, and the perversion of subsequent kings, that connection, that well-formed societies and cultures leave to mankind’s history, got less and less important<sup>1</sup>, and naturally so, for there is a devil who wants to destroy all of the history of God and supplant his own, and friends he’s been pretty successful, especially since Darwin, and the new way of thinking backed by other agnostics from the past; Plato, Socrates and such, but, try as you like; “the past always comes back to haunt those who oppose it” and; now “we know all about Babylon<sup>2</sup> as well as all the cultures and subsequent societies and empires that replaced Babylon the most infamous being the first of the great empires of the world.

---

<sup>1</sup> A prime example is the destruction of each Pharaohs achievement in monuments and statues of themselves including history about them which these monuments portrayed, by the next Pharaoh in line even the sons were guilty, and then there was China in the 2<sup>nd</sup> century BC when that Emperor destroyed all their history for his power thirst. We see in our own society the democrats verses Republicans each trying to destroy the others creditability and hindering advancement until some day one will radically change us for the worse. Obama? I’ve heard it said that there is talk here in 2010 that we are going to eliminate history from our schools curriculum. Guess what? Here we go, so we are no better than all the previous usurpers of power.

<sup>2</sup> Before I drop off Babylon and continue to come down the “historical trail”, let me add one caveat to this mix of proofs from the past, something Satan has done well to keep away from those seeking the reality of our past as described from the Bible as the instrument of the history of mankind. This proof came from the time of Babylon and was discovered from those ruins, and it speaks for itself as well as Biblical history. See appendix “Babylon speaks for God unbeknownst”.

Who were those empires that followed Babylon as world conquerors? The Bible names the first three, two of them years before they were even established, by name mind you in a prophecy and not by some writer looking back, but God looking ahead!

Babylon was overcome by Medo-Persia (in Daniels time), and Medo-Persia was overcome by Greece, and Greece by Rome (the last to rule the whole world under one head), and that brings us up to our age “AD from BC”.

While this Ecclesiastical Dominion was rising up, the northern barbarous nations invaded the *Western Empire*, and founded several kingdoms therein, of different religions from the Church of *Rome*. But these kingdoms by degrees embraced the *Roman faith*, and at the same time submitted to the Pope's authority. The *Franks in Gaul* submitted in the end of the fifth Century, the *Goths in Spain* in the end of the sixth; and the *Lombards in Italy* were conquered by *Charles the great A. C. 774*. Between the years 775 and 794, the same *Charles* extended the Pope's authority over all *Germany and Hungary* as far as the river *Theysse* and the *Baltic sea*; he then set him above all human judicature, and at the same time assisted him in subduing the City and Duchy of *Rome*. By the conversion of the ten kingdoms to the *Roman religion*, the Pope only enlarged his spiritual dominion, but did not yet rise up as a horn of the Beast. It was his temporal dominion which made him one of the horns: and this dominion he acquired in the latter half of the eighth century, by subduing three of the former horns as above. And now being arrived at a temporal dominion, and a power above all human judicature, he reigned with a look more stout than his fellows, and times and laws were henceforward given into his hands, for a time times and half a time,

Of the kingdoms represented in Daniel by the Ram and He-Goat.

THE second and third Empires, represented by the Bear and Leopard, are again represented by the Ram and He-Goat; but with this difference, that the Ram represents the kingdoms of the Medes and Persians from the beginning of the four Empires, and the Goat represents the kingdom of the Greeks to the end of them. By this means, under the type of the Ram and He-Goat, the times of all the four Empires are again described: I lifted up mine eyes, saith Daniel, and saw, and behold there stood before the river [Ulai] a Ram which had two horns, and the two horns were high, but one was higher than the other, and the higher came up last.—And the Ram having two horns, are the kings of Media and Persia: not two persons but two kingdoms, the kingdoms of Media and Persia; and the kingdom of Persia was the higher horn and came up last. The kingdom of Persia rose up, when Cyrus having newly conquered Babylon,

ROME, Feb. 11 A.—The Roman question tonight was a thing of the past and the Vatican was at peace with Italy. The formal accomplishment of this today was the exchange of signatures in the historic Palace of St. John Lateran by two noteworthy plenipotentiaries, Cardinal Gasparri for Pope Pius XI and Premier Mussolini for King Victor Emmanuel III.

In affixing the autographs to the memorable document, healing the wound which has festered since 1870, extreme cordiality was displayed on both sides. The Cardinal Secretary of State warmly welcomed the Premier to the old papal residence, while Mussolini showed particular attention to the venerable prelate by bidding him sit while the text of the accord was read.

Gasparri Leaves Sick  
Bed to Sign Document

Cardinal Gasparri left his bed, where he had been confined by grip since Saturday and braved the chilly and sunless weather in order that he might attend the ceremony which was the crowning act of his entire diplomatic career. Premier Mussolini did all he could to soften the rigors of the physical ordeal.

Just as the signatories were wielding the gold quill pen the chimes of St. John Lateran pealed out as if for Christmas midnight and a throng of theological students grouped in the courtyard below broke into the strains of a te deum. "We thank thee, oh God, make safe thy people, oh Lord! and bless thy heirs and rule over them and extol them forever."

To this the Fascist blackshirt militia, personal bodyguard of the Premier, responded with a rousing "Eja, Eja, Eja, Aiaia!" for the Pope, the Premier and the King.

## True Devotion to the Blessed Virgin Mary

You have found, quite simply, the most profoundly important, and most perfect work concerning devotion to the Blessed Virgin Mary -- Saint Louis Marie de Montfort's *True Devotion to the Blessed Virgin Mary*. We present the work here in its entirety. It is the surest and most complete work on devotion to Our Blessed Mother, and the clearest roadmap ever written on how to live your life in Christ. Pope John Paul II has called it the most important book he has ever read, and it is what has made him such a Marian Pope, effecting every decision that effects us as Catholics. We present:

*Family and Living*

*Was Mary Ever-Virgin? And why does this matter?*

*Co-Redemptrix? Mediatrix? Advocate? An update on the latest developments concerning the Final Marian Dogma*

*American Catholicism? Read the story of how one contrite psychologist destroyed the Immaculate Heart of Mary religious order, and did severe*

*Rome's Challenge: An 1893 editorial from the Catholic Mirror remains unanswered -- Why do "Bible Christians" worship on Sunday?*

Before closing this series of articles, we beg to call the attention of our readers once more to our caption, introductory of each; viz., 1. The Christian Sabbath, the genuine offspring of the union of the Holy Spirit with the Catholic Church His spouse. 2. The claim of Protestantism to any part therein proved to be groundless, self-contradictory, and suicidal.

The first proposition needs little proof. The Catholic Church for over one thousand years before the existence of a Protestant, by virtue of her divine mission, changed the day from Saturday to Sunday. We say by virtue of her divine mission, because He who called Himself the "Lord of the Sabbath," endowed her with His own power to teach, "he that heareth you, heareth Me;" commanded all who believe in Him to hear her, under penalty of being placed with "heathen and publican;" and promised to be with her to the end of the world. She holds her charter as teacher from Him -- a charter as infallible as perpetual. The Protestant world at its birth found the Christian Sabbath too strongly entrenched to run counter to its existence; it was therefore placed under the necessity of acquiescing in the arrangement, thus implying the Church's right to change the day, for over three hundred years. The Christian Sabbath is therefore *to this day*, the acknowledged offspring of the Catholic Church as spouse of the Holy Ghost, without a word of remonstrance from the Protestant world.

Let us now, however, take a glance at our second proposition, with *the Bible alone* as the teacher and guide in faith and morals. This teacher *most emphatically forbids any change in the day for paramount reasons*. The command calls for a "*perpetual covenant*." The day commanded to be kept by the teacher *has never once been kept*, thereby developing an apostasy from an assumedly fixed principle, as self-contradictory, self-stultifying, and consequently as suicidal as it is within the power of language to express.

Nor are the limits of demoralization yet reached. Far from it. *Their pretense* for leaving the bosom of the Catholic Church was for apostasy from the truth *as taught in the written word*. They adopted the written word as their sole teacher, which they had no sooner done than they abandoned it promptly, as these articles have abundantly proved; and by a perversity as willful as erroneous, they accept the teaching of the Catholic Church in direct opposition to the plain, unvaried, and constant teaching of their sole teacher in the most essential doctrine of their religion, thereby emphasizing the situation in what may be aptly designated "a mockery, a delusion, and a snare."

[EDITORS' NOTE. -- It was upon this very point that the Reformation was condemned by the Council of Trent. The Reformers had constantly charged, as here stated, that the Catholic Church had "apostatized from the truth as contained in the written word." "The written word," "The Bible and the Bible only," "Thus saith the Lord," these were their constant watchwords; and "the Scripture, as in the written word, the sole standard of appeal," this was the proclaimed platform of the Reformation and of Protestantism. "The Scripture and tradition." The Bible as interpreted by the Church and according to the unanimous consent of the Fathers," this was the position and claim of the Catholic Church. This was the main issue in the Council of Trent, which was called especially to consider the questions that had been raised and forced upon the attention of Europe by the Reformers. The very first question concerning faith that was considered by the council was the question involved in this issue. There was a strong party even of the Catholics within the council who were in favor of abandoning tradition and adopting the *Scriptures only*, as the standard of authority. This view was so decidedly held in the debates in the council that the pope's legates actually wrote to him that there was "a strong tendency to set aside tradition altogether and to make Scripture the sole standard of appeal." But to do this would manifestly be to go a long way toward justifying the claims of the Protestants. By this crisis there was developed upon the ultra-Catholic portion of the council the task of convincing the others that "*Scripture and tradition*" were the only sure ground to stand upon. If this could be done, the council could be carried to issue a decree condemning the Reformation, otherwise not. The question was debated day after day, until the council was fairly brought to a standstill. Finally, after a long and intensive mental strain, the Archbishop of Reggio came into the council with substantially the following argument to the party who held for Scripture alone:

"The Protestants claim to stand upon the written word only. They profess to hold the Scripture alone as the standard of faith. They justify their revolt by the plea that the Church has apostatized from the written word and follows tradition. Now the Protestants claim, that they

stand upon the written word only, is not true. Their profession of holding the Scripture alone as the standard of faith, is false. PROOF: The written word explicitly enjoins the observance of the seventh day as the Sabbath. They do not observe the seventh day, but reject it. If they do truly hold the scripture alone as their standard, they would be observing the seventh day as is enjoined in the Scripture throughout. Yet they not only reject the observance of the Sabbath enjoined in the written word, but they have adopted and do practice the observance of Sunday, for which they have only the tradition of the Church. Consequently the claim of 'Scripture alone as the standard,' *fails*; and the doctrine of 'Scripture and tradition' as essential, is fully established, ***the Protestants themselves being judges.***"

[Archbishop Reggio made his speech at the last opening session of Trent, on the 18th of January, 1562. — J. H. Holtzman, *Canon and Tradition*, published in Ludwigsburg, Germany, in 1859, page 263.]

There was no getting around this, for the Protestants' own statement of faith — the Augsburg Confession, 1530 — had clearly admitted that "the observation of the Lord's day" had been appointed by "the Church" only.

The argument was hailed in the council as of inspiration only; the party for "Scripture alone," surrendered; and the council at once unanimously condemned Protestantism and the whole Reformation as only an unwarranted revolt from the communion and authority of the Catholic Church; and proceeded, April 8, 1546, "to the promulgation of two decrees, the first of which, enacts under anathema, that Scripture and tradition are to be received and venerated equally, and that the deuterocanonical [the apocryphal] books are part of the canon of Scripture. The second decree declares the Vulgate to be the sole authentic and standard Latin version, and gives it such authority as to supersede the original texts; forbids the interpretation of Scripture contrary to the sense received by the Church, 'or even contrary to the unanimous consent of the Fathers,'" etc.

This was the inconsistency of the Protestant practice with the Protestant profession that gave to the Catholic Church her long-sought and anxiously desired ground upon which to condemn Protestantism and the whole Reformation movement as only a selfishly ambitious rebellion against the Church authority. And in this vital controversy the key, the chiefest and culminative expression, of the Protestant inconsistency was in the rejection of the Sabbath of the Lord, the seventh day, enjoined in the Scriptures, and the adoption and observance of the Sunday as enjoined by the Catholic Church.

And this is today the position of the respective parties to this controversy. Today, as this document shows, this is the vital issue upon which the Catholic Church arraigns Protestantism, and upon which she condemns the course of popular Protestantism as being "indefensible", self-contradictory, and suicidal." What will these Protestants, what will this Protestantism, do?]

Should any of the reverend parsons, who are habituated to howl so vociferously over every real or assumed desecration of that pious fraud, the Bible Sabbath, think well of entering a protest against our logical and Scriptural dissection of their mongrel pet, we can promise them that any reasonable attempt on their part to gather up the disjecta membra of the hybrid, and to restore to it a galvanized existence, with be met with genuine cordiality and respectful consideration on our part.

But we can assure our readers that we know these reverend howlers too well to expect a solitary bark from them in this instance. And they know us too well to subject themselves to the mortification which a further dissection of this anti scriptural question would necessarily entail. Their policy now is to "lay low," and they are sure to adopt it.

## RECOMMENDATIONS.

New-York, Jan. 1, 1834.

To Messrs. Leavitt, Lord, & Co.

Gentlemen,—Learning that you are about to publish  
in a small volume, the articles signed Brutus, (which re-  
cently appeared in the New-York Observer, showing that  
a conspiracy is formed against the United States by the Pa-  
pal power of Europe,) the undersigned, who read those  
articles with interest, have great satisfaction in expressing  
their appreciation of your undertaking. These articles are  
written by a gentleman of intelligence and candor, who has  
resided in the south of Europe, and enjoyed the best oppor-  
tunities for acquaintance with the topics on which he writes.

While we disapprove of harsh, denunciatory language  
toward Roman Catholics, their past history, and the fact  
that they every where act together, as if guided by one  
mind, demands us to be jealous of their influence, and to  
watch with unremitted care all their movements in relation  
to our free institutions. As this work is now to be published  
in a portable form, and with additional notes by the author,  
we hope it may obtain an extensive circulation and a suc-  
cessful result.

Yours, with friendly regard,

"FRIENDS OF THE CAUSE.—We commenced to-day publish-  
ing this interesting series. The author is an American, who  
has resided for a long time in Italy and Austria. The same  
day that we had decided to publish them, we received a  
note, signed by Rev. Messrs. Lindsey, Pillsbury, Kent, and  
Barrett, recommending and requesting that they should

## RECOMMENDATIONS

*Since the publication of the First Edition.*

The author of a little volume just published in this city, entitled "Foreign Conspiracy against the Liberties of the United States," is a gentleman personally known to us, and universally esteemed. We recommend this volume to the serious attention of all Americans who love liberty, and mean to maintain it. The author undertakes to show that a conspiracy against the liberties of this Republic is now in full action, under the direction of the wily Prince-Metastach of Austria, who, knowing the impossibility of obliterating this troublesome example of a great and free nation by force of arms, is attempting to accomplish his object through the agency of an army of Jesuits. The array of facts and arguments going to prove the existence of such a conspiracy, will astonish any man who opens the book with the same incredulity we ourselves did. The author has traveled extensively in Europe—has resided many months, if not many years in Italy—and understands full well the kind of machinery which the politico-religious despots of the Old World would be likely to put in motion for the subversion of our liberties. He has taken hold of the subject with a strong hand, and if he has not proved the existence of a conspiracy, he has certainly proved an immense accumulation of foreign despotic influences among us, particularly in the West, by means of priests and money sent here from foreign despotic countries. And he has further proved, that the personal influence and pecuniary aid of the Emperor of Austria and his principal Minister, as well as many of his subjects, is directed with unceasing assiduity to maintain the foothold they have gained, and to spread the contagion of their doctrines throughout this fair Republic. We ask again, that if any are disposed to regard this subject as of little importance, they will give to the "Foreign Conspiracy" a serious and attentive perusal.—*N. Y. Journal of Commerce.*

European residence of several years, during which period he became in various ways possessed of facts and circumstances inducing him to believe in the real and substantial existence of a conspiracy, which he has attempted to expose. When he commenced his labors, we frankly told him, in repeated conversations, that we were incredulous of the fact he was maintaining; but we were free to confess that, in the course of his labors, he has brought forward a mass of direct and circumstantial testimony, documentary and otherwise, which has left a strong impression upon our minds, that after all, the alarm may not have been sounded without cause. Events have also transpired in our own country, which, in connection with the suspicious movements of eastern princes, have imparted still greater importance to the writings of "Brutus."—*N. Y. Commercial Advertiser.*

One excellence of the publication before us, almost peculiar to this writer, when compared to others who have written upon this subject in our country, is, that it handles the matter of discussion with calmness, the writer not suffering himself to allow his letters under the influence of exaggerated feelings, but wisely avoids those harsh and blackening epithets which do more to irritate the passions than to convince and enlighten the judgment. On this account the book may be read with profit by all.—*N. Y. Christian Advocate. (Methodist.)*

\*We would briefly observe that the work, as it is now revised and corrected by the author, and illustrated by him with an Appendix of valuable notes, seems to be something almost altogether new, if not so in the substance, at least as respects its advertisements, embellishments and illustrations. The index of the Appendix may be truly considered as so many rich pearls, which set off a figure already and altogether prepossessing, to the best advantage.

The author instills the spirit of a Christian on every page; and although he develops a conspiracy the most formidable against our liberties, both civil and religious, yet a redemptive breath ruffles the serenity of his mind. He comes forward, conscious of the rectitude of his motives, not to excite a false alarm, but coolly and deliberately to present facts to our view. This work, in regard to its classical merits, is an honor to American genius. The style is smooth, flowing and melodious. It is like a garden where walks are lined with flowers, where those who would imitate the industry of the bee, may find a rich profusion of varied sweets.

\*On reading the last chapter of this valuable work, we

are struck with the contrast between the pious disposition of the author, and the ruthless spirit which characterizes the Jesuitic energy, whose machinations he exposes."—*N. Y. Dawnfall of Religion*. (Presbyterian.)

The letters of *Reuter* deserve an extensive circulation.—*Missouri, St. Louis Observer*. (Presbyterian.)

"From what I have seen and know, the fears entertained by the writer in the *New-York Observer*, under the caption of 'Foreign Conspiracy,' &c. are not without foundation, especially in the West."—*Letter of a Traveler in the West*. (Maryland.) *Methodist Protestant*.

The author maintains, that what is called the Roman Catholic Religion is in reality a political despotism, disguised under a religious name. We think he proves it, and also that the leading enemies of free institutions in Europe are engaged in organized efforts to give that despotism prevalence in the United States. The author has not given his name; but it may not be amiss to state that he has been intimately acquainted with Popery in Europe.

We do not believe that the progress of Popery in this country can be checked effectually in any way but by the conversion of its votaries. The Gospel must be preached to the Catholic immigrant, and by its influence he must be brought to repent and believe. And it seems evident to us, that the political argument is, from its very nature, incapable of exciting men to the effort by which this can be accomplished. Freeing the Gospel from political considerations will not convert men. We think that writers on Popery have been too unmindful of this truth. Yet the political argument, like all truth, has its value, and ought not to be neglected. In this work it is admirably presented. We hope it will be widely circulated and attentively read.—*Massachusetts, Boston Recorder*. (Congregational.)

"*Reuter* has published his 'Conspiracy,' &c. in a small volume, accompanied with notes. They are elaborate and eloquent articles. I hope it will be scattered over the whole country. He is a distinguished scholar and artist of this city, and has his information from personal observation, while in Europe a few years since."—*Letter to the Editor of the Mass. Free Herald*. (Methodist.)

The numbers of *Reuter*.—"Our readers are already acquainted with their contents. The object is to awaken the attention of the American public to a design, supposed to be entertained by the despotic governments of Europe,

particularly of Austria, in conjunction with his Holiness the Pope, to undermine gradually our free institutions by the promotion of the Catholic Religion in America. The letters are interesting from the numerous facts which they disclose, and are deserving the careful attention of the citizens of these United States, who should guard with vigilance the sacred trust which has been confided to us by our fathers."—*N. Y. Weekly Messenger*.

"*Reuter*.—The able pieces over this signature, relative to the designs of Catholicity in our highly favored land, originally published in the *New-York Observer*, it is now ascertained were written, not by an individual who was barely indulging in conjectures, but by one who has witnessed the Popery in all its deformity. One who has, not long since, traveled extensively in the Romish countries, and has spent much time in the Italian States, where the seat of the Beast is. None is familiar to him, and he has watched the movements there with great particularity. We may, therefore, hold a good degree of credence in what *Reuter* has said us. His numbers are now published in a pamphlet, and the fact which has just come out in regard to his personal qualification to write on this great subject, will give them extensive circulation."—*Union Baptist Register*.

The work embodies a mass of facts, collected from authentic sources, of the deepest interest to every friend of civil liberty and Protestant Christianity. The efforts of despotic European sovereigns, to insulate our country with the religion of Rome, are fully peirced. Could they succeed in these efforts, and annihilate the spirit of liberty on our shores, the march of free principles in our own dominions would cease. They could then sit securely on their thrones, and rule with a rod of iron over their subject nations.—*Ohio, Cincinnati Journal*. (Presbyterian.)

I know these are fuzzy but the book is old (1833), if you would like copies more legible ask, and that goes for anything I've attached here.

# BIBLICAL PROPHECY

*CONFIRMS HISTORY - IN ADVANCE!*

I've been faced with prophecy all my life being raised as an Adventist (meaning one who is looking for the return of Christ), received from my great aunt in the 1800's, and if you know anything about that people group (formed from nearly every denomination practicing in the 19<sup>th</sup> century); you know they were called to preach and teach prophecy by a Biblical mandate, which could, by the way, have come "to any people or organized church for that matter at that time", but, it came only to those who wanted it, so bad that they pursued it though ridiculed and rejected by the other religions in those days.

Today, they still teach that same mandate among a very few who do so, and must I add, using sola scriptura, that is using "the Bible and the Bible only" as the "giving of prophecy as well as the interpretation thereof" ([II Peter 2:19-21](#)), and friend, only those who do that can make that claim, because all the answers have been confirmed by history, provable history that is, and, that's by Gods design not man's, so that "the integrity of the Scriptures is maintained from Old to New and the only contradictions are manmade who don't know what the whole Bible teaches nor care to search for the Truth.

How has it come to that point in "Scripturally given history" when a called Remnant Church, for the end times, called by a Biblical mandate and commission "to spread Gods prophecies to the world, which we will see are the Gospel, ([Rev. 14:6-12](#)) the message for the end time preparation ([vs. 12-14](#))" which was "the Testimony of Jesus" ([Rev. 19:10](#)). How is it, I ask; that this last voice, for this testimony of Jesus to get out, yet this church in her splinters are becoming like all the other nominal churches "it thinks its competing with?

I say "Remnant Church" because, todays church must be made of the same fabric as was the church "to become after its first organized people (a church

if you will) that came out of Egypt and formed by the Lord their at Mount Sinai where it was first given its mandates, its commission and calling, and according to prophecy issued to Daniel, this church was to “issue in the Messiah” make an end to sinning and fulfill Gods prophetic demands ([Daniel 9:24](#)), but we all know what happened to that church.

When the Messiah came the church of course didn’t recognize Him must less fulfilled their commission and mandates just the opposite they actually breached the Covenant of God (which pointed out their sins and iniquities that needed to be fulfilled in them (the church at least) “according to the prophecy”, but as a result they more or less killed the Messiah, His message and His testimony along with His Covenant and were rejected by the very one they were to receive and “be like” and usher Him in as king of kings and Lord of Lords. ([Matthew 23:37-39](#)).

The Messiah then turned to the Gentiles and formed the second church as it were, and they were commissioned in the same manner as His first church “under the same Covenant” only this time having seen Gods Covenant fulfilled in the life of Christ they easily saw why the Jews had failed ([Hebrews 8:9](#)) and how they in unison with the indwelling Spirit promised ([Hebrews 8:10, John 14:15-17,26](#)) they could be more than overcomers both in mind and body and the Messiah went back to heaven to work in their behalf.

However we know He sent back to John the commission for the church and gave them further prophetic visions of the future that He had given Daniel through revelations from heaven for the time of the end, the last generation just prior to the second coming that this church was to share with the world and have His testimony of the “everlasting Gospel” that would carry it through to the end fulfilling its mission.

What Daniel was given in part according to prophecies (but they were too far off for Him to see their final fulfillments, but, John was shown the details

thereof for the end times which were to be a guide, a warning from the Lord for the church of what it was to face after His departure, and to be a vital part of the Last day message of the “Everlasting gospel” ([Revelation 14:6,7,12](#)) or friend He wouldn’t have given them, right?

*Daniel 12: KJV*

*<sup>8</sup> And I heard, but I understood not: then said I, O my Lord, what shall be the end of these things?*

*<sup>9</sup> And he said, Go thy way, Daniel: for the words are closed up and sealed till the time of the end.*

*Revelation 22:*

*<sup>16</sup> I Jesus have sent mine angel to testify unto you these things in the churches. I am the root and the offspring of David, and the bright and morning star.*

*<sup>17</sup> And the Spirit and the bride say, Come. And let him that heareth say, Come. And let him that is athirst come. And whosoever will, let him take the water of life freely.*

*<sup>18</sup> For I testify unto every man that heareth the words of the prophecy of this book, If any man shall add unto these things, God shall add unto him the plagues that are written in this book:*

*<sup>19</sup> And if any man shall take away from the words of the book of this prophecy, God shall take away his part out of the book of life, and out of the holy city, and from the things which are written in this book.*

*Matthew 24: KJV*

*<sup>34</sup> Verily I say unto you, This generation shall not pass, till all these things be fulfilled.*

*<sup>35</sup> Heaven and earth shall pass away, but my words shall not pass away.*

## HISTORY

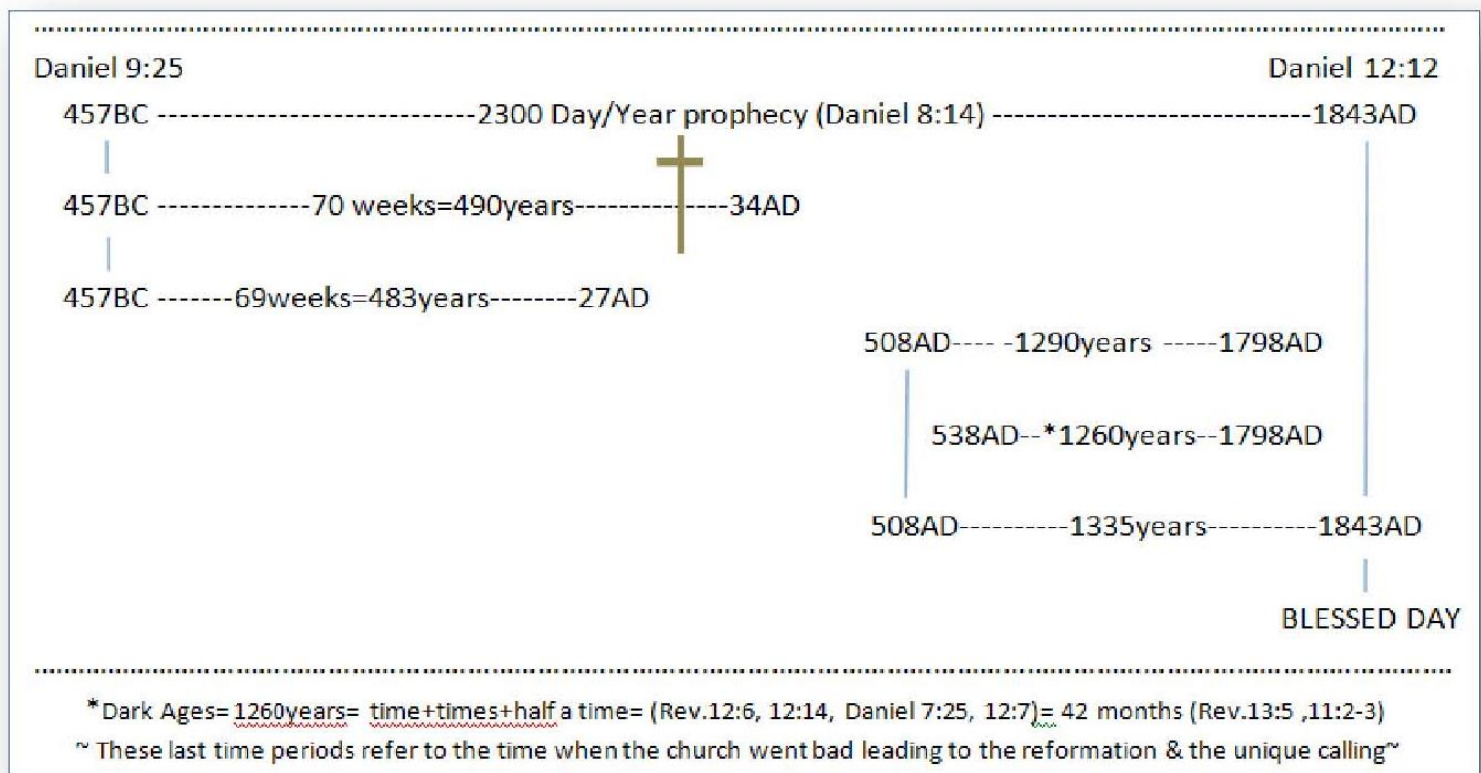

When the longest of time prophecies, given by God in scripture, came to its fulfillment in 1843-44 AD, one that had been given over two thousand years earlier (see [Daniel 8-9](#)), “some people group would naturally arise from Gods calling” having discovered the importance of His prophetic message focusing on the days they were living, and then begin to herald it around the world, thus, becoming the remnant church pictured in [Rev. chapters 12, 14](#), and of course it “would match those descriptions given by God” as His church,

fulfilling also [Isaiah 8:20](#) as a people, as a church, called by God through prophecy, and then, through prophecy to reach a deceived world,

Gods design not mans!

Those people living then, in and after that year (1843-4 AD), who took the time, care and inspiration to do so that is, have then passed Gods message through prophecy down to us, you and me, so that we can know for sure God is real and does interject Himself in mankind's behalf, and warns us of His enemies, as proven by His prophecies.

So what's the significance of 1843-4 anyway, and why is it a people group a church was called and formed to carry that message to the world, and, is still doing so as we speak, might I add?

This message from God given in the form of a prophecy, as the way “He has communicated with His church from the beginning”, just so happens to have

come to a single man, in the days of the early protestant “churches”, formed, might I add again, from the reformation when the protestors came out of the mother church “who had gone wrong” over there in Europe; killing and torturing anyone who would not worship under her mandates.

King James wrote in his introduction to the “King James Bible (KJB)” (see library of Congress 1<sup>st</sup> edition) warning us about the status of the church in his day, and I believe God inspired him to do so and so will you if you take the time to read it (see [www.theuniversalreligion.com](http://www.theuniversalreligion.com) “What If The Bible Is True” for excerpts from that Bible), exposing the very things Gods prophecies had been predicting for over 2000 years, at the time he canonized his Bible, which contained Gods futuristic predictions, that would involve His people (us) following the end of the long 1260 “prophetic” years, known as the “Dark Ages”, Gods message to the religious, well, to some Christians at least, and king James was one who was given that insight, as was Sir Isaac Newton, limited ([Daniel 12:4](#)) but none the less saw prophecy fulfilling.

At the end of the 2300 year prophecy in 1844 AD, it appears only one people group (future major denomination) who desired Gods interpretations in that year were thusly chosen as it were to carry on that message, and it has done so since as a worldwide mission and defined particularly in [Rev. 14](#).

After a bitter disappointment of Christ not returning in 1843-44 as the Millerites (see [www.mosescats.com](http://www.mosescats.com) “Yom Kippur”) had determined the Bible was telling them, but they were sorely disappointed, that group contained people from every major denomination at the time across the world, but after the disappointment only a few of those leaders sought God for further inspiration, to help them understand “why it was they were wrong, where had they miscalculated the prophecy.

This was before there was any particular church called to carry out this prophetic message for God was organized, but, the few who sought God in earnest for the answer to their disappointment, those few, who hung on despite the ridicule and the rejection by the mainstream churches at the time, those few, who knew from all accounts something “big” had to have happened at the end of that 2300 year prophecy, but what was it then, they took to prayer?

# ANSWERS

As time went on their constant inquiries and supplications to God were answered, transforming a disappointment into understanding, and understanding then into a calling, and an inspiration to tell the world what God had shown them.

This soon led to an organized body of people, a church, and since they had put all their attention into the belief of a second coming, they became known as Adventists, and by a deep and earnest Bible study they also discovered the “1000 generations text” ([Deut. 7:9](#)) that told of the 7<sup>th</sup> day of the week as Gods created it to be (that’s why the reminder of [Rev. 14:7](#) was given), the 7<sup>th</sup> day not the 1<sup>st</sup> or the 5<sup>th</sup> but the one all of Gods people and churches, from the beginning, was to worship on! By His design and not mans, known later as the S-Abba-th, and since the “1000 generations” hadn’t passed, according to the time reckoned by the Bible, it was still relevant to Gods church as it had been before the Dark Ages, and now after it was still relevant to Gods called people ([Deut. 6, 7](#)), having this testimony then they later became known as the Seventh Day Adventist’s.

Please note in all fairness; This could have been any of the major protestant denominations in that year, who could have taken up the messages of prophecy, but they didn’t; “it had too much of a sting and ridicule from the religious world at large” due to the disappointment of misinterpreting the prophecy, and of course exposing what once was their greatest enemy.

For those who did take up the message it was a lesson learned, when God finally then opened their eyes to what He had told Peter. ([II Peter 1:20-21](#)). But that didn’t stop the religious rebukes from the now nominal religions, and the world at large, who now needed convincing of the truth that the prophecies reveal.

To date, they have rejected and continued to follow and worship the beast of Daniel and Revelation Newton pointed two under inspiration, and the power of Gods enemy to deceive “that the prophecies have so well identified as we have seen.

The question is; “will we continue to poke fun at those who are genuinely trying to enlighten us with Gods final message for the world or, continue to fall for the deceptions and lies of the false prophets, teachers and clergy no matter their title?

They could have been the ones today preaching and teaching that end time message of the three angles ([Rev. 14:8-9-12](#)), as we are going to see it is. But none did among the mainstream denominations already organized at that time, none felt the need of knowing what God had to say both about the past and also about the future in those prophecies and especially the one “which obviously fulfilled in that very year”.

# TIME CHART

2300 YEARS

This has become one of the greatest of losses for all of mankind, not to mention the protestant churches themselves, being those who formed after the breaking away from the Roman Catholic church during the reformation, and because of this loss “in the understanding of prophecy”, they have been fooled into thinking that all Christian churches are actually “Christian”, meaning followers of Christ, His faith, His testimony, His Covenant (remember what it was that was inside the ark of the Covenant that made it so holy), “Gods Covenant” of course with mankind. Including His S-Abba-th commandment (that doesn’t start out with ‘thou shalt not’ because it is the one fulfilled by [John 14:15](#); love for God first 4, love for mankind last six, it’s a two way relationship [John 14:21](#), [Matthew 22:36-40](#), [Deut.6:5-25](#), [Luke 10:25-37](#)).

The fourth of the ten is how all the others are to be kept, and a reflection of the keeper, and how serious they are (the Lord said that He is “the Lord of the

Sabbath” and the Sabbath was made for man by His God thru Him ([Mark 2:27](#), [John 1](#)), and it was made to last for 1000 generations (Deut. 7:9) right?

Christ acknowledged this, and tells us at the same time “the earth isn’t going to last that long ([Math. 5:17-18](#))”. So every dotting of the “l” and the crossing of the “t” is to be upheld “till at least the old earth is destroyed and the new earth is created ([Rev. 21](#))”, but then to the serious student we find, even after that “in the new heavens and earth, as it has always been mind you, “will the Sabbath be Gods worship day ([Isaiah 66:22-23](#))”.

That’s just a few of the many texts telling of Gods S-Abba-th, the Lords day not mans.

You can easily see this for its Gods worship day; “the one He put His Fathers most intimate name on” (didn’t you see it in all the times I’ve mentioned it? ([Mark 14:36](#), [Romans 8:15](#), [Galatians 4:6](#)) Certainly He wouldn’t have put the name of the SUN on His day as did about all the pagan religions of the past, and now future; “Sun-day”, and yes she had 1260 years to come up with a better name “but she didn’t, hasn’t”, that’s because she is under a deception ([II Thessalonians 2](#)) God has kept her in I’m sure “to expose her at her very heart”, and her claims that Sun-day is the christian (small “c”) sabbath (small “s”), and the protestants accept this, tells me the whole story, and, confirms prophecy. ([Rev. 13:3](#), remember “Rome’s Challenge”)

Let me ask you: if these few texts I’ve used are ambiguous like the ones the protestants use to try and defend Sun-day, then “the whole Bible, Old and New testaments are in Question”, making it appear that Jesus did away with the S-Abba-th on the cross, and confirmed Sun-day through his decimals, yet, think about it; doesn’t that make Him out to be the liar, the deceived, when He said not one of the Commandments nor any part of them are to pass (away-removed), and that He didn’t come to do so but “to live them out”?

He came to live out His Fathers law and not break even one! ([John 14](#) is clear)

Making Him the only One worthy to open the book of life you had no idea existed. ([Rev. 5](#))

Let me ask you another question; “who is it you serve God or man, even in your worship day?”

Worship, we are going to find out, is one of the telltale signs of just who it is we serve; “as saints of God” or “marked by the beast” exposed in Daniel and further revealed in Revelation ([Rev. 13:16, 14:9,11, 15:2, 16:2, 19:20, 20:4](#)), these texts are meant as warnings to us and possibly to scare those who have never read it in it’s true context to make a change ([Hebrews 10:1-31](#)), but there’s still time to change sides and fall into the safety of the Hand of God since the return of Christ is at the door. ([Rev. 14:12-14](#))

We are at the threshold and Christ hasn’t come back yet, but soon that great edict of ([Rev. 22:10-12](#)) will sound, but, He said way back there in Johns time 96AD “the time is at hand” ([vs. 10,12](#)) as I said; “how long ago did He say that?”

Our “works” friend will define us in that day, are all of our works “His”? ([Vs’s 13-21](#))

## YESTERYEAR

The S-Abba-th, as I said, this small group of believers discovered after 1844 AD “was still to be the worship day of God that had been changed by the beast”, thus it was being reinstituted by God to His remnant church after the long Dark Ages ended and light was able to once again be shed, and, it too was made part of the 1843-44 movement (remember chart) and heralded by this small group who had come out, first from the church of the Beast who had

gone wrong, and now out from the protestant denominations who too had followed her in her worship, seeing this this small group started following all the ways of God, sola scriptura, living as they were shown to look as did their master ([John 14:11-31](#)) following Gods Covenant Commandments not mans;

*Mark 7: KJV*

<sup>6</sup> *He answered and said unto them, Well hath Esaias prophesied of you hypocrites, as it is written, This people honoureth me with their lips, but their heart is far from me.*

<sup>7</sup> *Howbeit in vain do they worship me, teaching for doctrines the commandments of men.*

<sup>8</sup> *For laying aside the commandment of God, ye hold the tradition of men, as the washing of pots and cups: and many other such like things ye do.*

<sup>9</sup> *And he said unto them, Full well ye reject the commandment of God, that ye may keep your own tradition.*

<sup>10</sup> *For Moses said, Honour thy father and thy mother; .....*

While the issue, Christ is addressing, may have been on Jewish customs, look at the big picture for these things are for our example notice “the specific reference to the Ten Commandments” as this gives us a clue of at least to what “commandments” (Covenant) He was in reference to, and listen; “not some abbreviated ones” the nominal churches give to do away with the S-Abba-th, taking the Lords words completely out of context, as He was speaking of “the principals on which the Big Ten are based”.

Here’s the context;

*Matthew 22: KJV*

<sup>35</sup> *Then one of them, which was a lawyer, asked him a question, tempting him, and saying,*

<sup>36</sup> *Master, which is the great commandment in the law?*

<sup>37</sup> *Jesus said unto him, Thou shalt love the Lord thy God with all thy heart, and with all thy soul, and with all thy mind.*

<sup>38</sup> *This is the first and great commandment.*

<sup>39</sup> *And the second is like unto it, Thou shalt love thy neighbour as thyself.*

<sup>40</sup> *On these two commandments hang all the law and the prophets*

Again, if this one text taken out of context, cancels out all the many texts the Bible gives (Old and New) on the Sacredness of Gods “7<sup>th</sup>” day Sabbath “that

any sincere seeker can find in a search *if* they really love the Lord”, ([John 14:15](#)). Then, we may as well throw out the Bible as “contradicting itself as many of the Bible scoffers claim, like the nominal churches do “by turning away from the scriptures” and follow their own religion, as those did in the Lords day, doing the same thing the old time Jews (first church) did!

Identifying then, the “new time” Jews (second church) of whom Paul identifies while addressing the “Gentile” Romans ([Romans 2:10-29](#)).

This is just one issue that identifies the protestant churches from 1843AD to present, and it’s because of their lack of Bible study verses their handed down traditions which take their priority, and especially from their lack of understanding prophecy (correctly-Biblically interpreted) being examples that God has shown them of the past errors, and what the future was to be near the end of time that should bleed out those errors from our minds, hearts, and hands (works) ([Rev. 14:12-14, 22:14](#)).

But instead of learning from the past, especially after God reinstituted prophecy since 1844 AD and since the remnant church has reminded them over the years, particularly the last 50 or so, they haven’t listened to Gods voice, and have actually perverted Gods prophecy, and by doing so, they have lost their power to save in Gods ways including the S-Abba-th, and that has led them back to the ways of the mother church and her worship, her false doctrines, and abominations as God defines them, that, “she invented and promoted during the Dark Ages” when her church, that even calls herself “the mother church”; puts Mary as co-matrix to Christ and “at her head” the Pope her mouth.

#### [Daniel 7:8](#)

*I considered the horns, and, behold, there came up among them another little horn, before whom there were three of the first horns plucked up by the roots: and, behold, in this horn were eyes like the eyes of man, and a mouth speaking great things.*

*And he opened his mouth in blasphemy against God, to blaspheme his name, and his tabernacle, and them that dwell in heaven.*

Yet she is still looked to as the mother by protestants after nearly 80 years have passed since she regained her power in 1929 (see attachment “wound healed”) from the 1798 wound, she still claims to be the only church of God, yet she attaches herself to the seat of the beast, “Rome”, and still the protestant churches don’t get it, and listen, “it’s more than just her location on the seven hills there in Italy that gives her away ([Rev. 17:9](#)).

There is the well documented history that tells why she still goes by the name of “Roman Catholic church”; History tells us she was given her universal “religious” power in 508 AD by [Clovis’s](#) conversion to Roman Catholicism, and she holds to it, for there was a time when she also had political power in the world (538-1798AD) and she wants it back. (See [www.mosescats.com](http://www.mosescats.com) “Lincoln” a real eye opener, a must read).

History tells us she at one time not only had religious power as the mother given to her in 508 AD, but in 538 AD Emperor Justinian the survivor of the collapsed Roman Empire (the 4<sup>th</sup> and last beast the world has known and will ever know we found out ([Daniel 2](#)), but even as he handed her that power, she really didn’t even want it “coming from him”, because, it was really one she was about to receive anyway on her own Romesh merits, by her conquering of three of the nations ([Daniel 7:8,24 Rev. 13](#)) that had taken Rome down she called heretics and pagans, [it takes one to call one fits here] she then had gained a political hold on the European, Mesopotamian world by herself, as the last of those three nations fell in 538 AD and the world was hers for the next 1260 years, and guess what?

# TIME CHART

God predicted it all 1000 years in advance of it happening, and it happened just as He said it would.

In the very year He predicted and made part of His prophecy, the year her reign was to temporarily end, when the Pope was taken of his throne by French general Berthier of Napoleons army (1798 see attachment “Wound”), on Napoleons attempted conquering of the political world, but I might add again as a reminder; it was not to be “prophetically” for no one empire or kingdom or nation would “alone” (under one head) control the world until Christ comes back (according to Gods prophetic message to Daniel, see [Daniel 2:40-43](#)) and friend, they haven’t to today.

But many have tried; Napoleon was just one battle away, Hitler was just one nation short, because God said none will rule, remember the Image shown Nebuchadnezzar king of the first of four world dominating empires, and the toes of iron mixed with clay indicating the ten nations but none having strength to rule alone ever again, and you best believe “they won’t and you can take that to the bank.”

# BLESSED DAY

Since 1798 when the political and religious power of the church was taken away from her by God ([Rev. 13:3](#)) this allowed then the “blessed year” ([Daniel 12:9-12](#)) of 1843-4 to then begin; “the accomplishment of the remnant churches mission”, set out for them by the Messiah, Christ Himself, now that the enemy had been subdued for a time “until that is her deadly wound would be completely healed, and then she would make her move to corrupt the churches further into her abominable ways (Gods words not mine).

(Remember “Wound Healed” above)

Throughout the Dark Ages most all of the Biblical scholars, men who took the Bible and the Bible only (Sola Scriptura) and not tradition as their sword of God’s word, they knew the world history as well as Gods predicted history, and they knew who this power was.

Men like Sir Isaac Newton who wrote a book on prophecy and calculated the way of interpreting the year for a day principal that helped us put the prophecies in time and history, confirmed by scripture of course as well.

(Remember “Newtons Book” above)

Most of the Roman Catholic priests who studied the Bible independently of the traditions, knew this as well, and that’s why they broke away from the mother church, and Protestantism was borned, as was the hate of the mother for them.

(Remember “Rome’s challenge” above)

Priests like Martin Luther, who gave their lives for the cause of religious freedom, a freedom that “did not exist” outside of the church who was in charge during those long years of persecution, death to anyone who went against the church, it was the original Jerod, all outside the church were considered heretics and worthy of death, and by her hand mind you, and death they were given until her power to do so was temporally terminated by God.

She still considers protestants the same today, look it up by the Popes own words although today he speaks like a lamb and not as harshly spoken as in the past, it’s all written down and recorded by them, and according to God it’s just a matter of time till her big and last ally of [Rev. 13](#) joins her (apostate Protestantism USA) and she will attack and kill once again in the name of god, her god that is, and he was given the name of “the great red dragon” ([Rev. 12](#)), this is Gods exposé not mine.

Most of the major protestant denominations in the 19<sup>th</sup> century knew this as well, as notable men like Samuel Morse (pen name [“Brutus”](#)) inventor of the Morse code. (See attachments), who also warned Lincoln of her intentions against him.

All protestant churches, who formed out of the reformation, especially their fathers met with persecution during the latter part of the Dark Ages, they all knew this well, and knew the death their forefathers met was by horrible and

terrible means, torture of the highest order, as we are seeing coming back again today, and done “in the name of God” mind you, no matter what name they claim their god has “it’s not ABBA” God or their worship would be as His and their conduct out of love “not fear and death” or paradise promises that characterize the use thereof exposing false prophecy.

Some of the torture chambers in Europe are still visible in the basements of the mother churches monasteries, even today, as well as are the “markers of the sites” where Protestants fathers were burned at the stakes.

WYCLIFFE BURNED AT THE STAKE WHILE POPE LOOKS ON

HUSS MEMORIAL IN PRAGUE HE ALSO WAS BURNED AT STAKE

But today the Protestants have forgotten the way their forefathers were treated, and ignore the fact that they are still considered heretics by the Papacy, and according to her their only hope is to come back to the mother church if they want to have eternal life. Knowing this still isn't keeping them from rallying to her, acknowledging her as their mother and "worship on her day". Billy Graham a once voice for Protestantism called her "the Christian conscience of the world", most of the protestants have gathered to her side today as we have already seen.

Just look up the real, behind the scenes, feelings of the Catholic church for protestants and you will see it hasn't changed, but, the present Pope is using cunning psychology and love themes to make it appear he and his church have

real feelings for the poor protestants and they need to return to the Eucharist and mass and mother Mary for salvation.

Don't be taken in God has already defined her deceptions and cunning, and He says "all the world will eventually follow her, fall for her is putting it better, and why not they keep her worship day sacred. (Remember Rome's Challenge)

She is the abomination that will bring desolation and God said it I didn't, and all the world will be swayed by the smooth words of the Papacy as a wolf in white lambs clothing, just as the Jews were called whited sepulchers ([Matthew 23:27](#)) so are they.

They do this for political reasons, and under the deception "by the power" Paul even saw coming ([II Thessalonians 2:3-17](#)), and listen Paul had personal experience of being deceived and thinking he was doing Gods service killing the Jews. Miraculously though he was turned around in that belief but, not so these religious leaders both Christian, and even those of other faiths, who as Paul (under a deception remember) thought to kill the heretics/infidels/Christians was doing Gods service, and listen "it's the religious leaders that are calling the shots now, or will be", despite their religious conception of God.

God told Paul clearly what He thought about their falling for that powers deceptions, deceptions that wars against "truth and Gods word", waring spiritually to quieting Gods Word and or perverting it out of existence, as she the mother church and others have tried many times in the past, (Dark ages burning of Bibles people etc.), but the truths of God have been preserved by Him and His Word through prophecy stands as witnesses against them.

The churches today deceptively believe, or will soon be convinced by her, speaking of the mother church that God specifically points out ([Rev 13, Rev 17:13-18](#)), they will be convinced that joining her is their only hope, and unity

is the only hope for the worlds saving, maybe by jihad against ISIS type groups who knows how it will play out?

God tells us then, when that time comes, and she will be the leading religion once again, and her persecuting power will resume when she gets her “full power” back ([Rev. 13](#)) astonishing enough from primarily the support of the protestants here in the land of “freedom from religion” the USA, but, soon to become the land of “freedom of religion”, at least Gods.

REMOVING GODS TEN COMMANDMENTS (COVENANT) FROM OUR SIGHT

But not in the context it's stated today, but as it was formed originally and set in the Constitution of America as freedom “from” religion.

The USA land of the free, being the last harbor for the Gospel as defined in the books by God we are going to look at next, and we will see clearly this end time full power of the beast will astonishingly be done by the USA who creates an image unto her, the last of the protestant Christian nations, as she joins her in her doctrines, traditions and her worship day “she made holy” not God, and worse, she will “by law” force men to worship her way or, by economic and deadly means suffer the consequences ([Rev. 13](#), Sunday Blue Laws-see

appendix in “We Look Like God” on [www.theuniversalreligion.com](http://www.theuniversalreligion.com) ), and the day will come , according to God, when she will once again, with the hands of the protestants “no longer protesting”, as they gather up of all who go against her and her religious protégés (considering them heretics or infidels once again), and as God predicts “death will be their end ([Rev. 13](#))”, nothing’s changed according to God, despite the wound and time, and, the cycle rolls around again and again, yet, no one see’s it happening even the churches, deceived by her (who can fight the beast, [Rev. 13:4](#))?

Friend it’s all because the churches did not uphold prophecy in their very beginnings, back there when the longest of time prophecies fulfilled in 1843 and that knowledge was opened up by Gods design, nor did they even care to know that the prophecies God gave was for them “to discover the truth and not fall for the deceptions that would come”, and friend, they have come.

The truths God presents, both in the Old and New testaments, when it comes to stuff like this, well, it was absolutely not popular back then, and it’s still not popular today, because popular today is following the state of the art of religion, if you can call it that.

They would rather hear smooth things as God predicted rather than the truth ([II Timothy 4:1-4](#)) they love to celebrate ([Amos 5:18-23](#) and the cycle goes around and around and around ), and they stay with praising rather than feeling guilty, or feel like they are being sought out by the enemy they can’t see, as she burns incense in seeming peace and love, and while the protestants chant and talk in tongues and dance to the hip music, and see satanic miracles as God predicted ([Matthew 7:21-23](#)), while praising their popular preachers who teach nothing but a situation ethics and give their loyalty to him or her, while the billions confess to the priests, who call themselves fathers of the faithful, of whom the protestants should know and be warned, being ignorant of the fact or ignore the Biblical fact that; “they

shouldn't even be using that name, by God command ([Matthew 23:9](#)) much less do they have the power to forgive, much less does the church or the pope have that power, which only belongs to Christ, but then they claim to be, in fact, equal with Christ (their words-Gods words II thessa2), and they tells us Mary is co-matrix with Him and has "the real power to save" as they chant over and over and as Gods listens and comments ([Isaiah 1, Amos 6:5](#) in context) I hate your celebrations etc., and to the claiming religious who think they have arrived and are doing Gods will He says ([Mathew 7:21](#)).

Since I have now set the stage for looking at those prophecies and the need to do so, the absolute critical need to do so, lets now look at the message He (Christ) sent back to the churches, giving them the ways of preparing for His return, the prophetic warnings and how we are to view and know prophecy, and what role it plays with God, and then, you tell me; "if today we can find any church doing so in fulfilling just these end time descriptions of "Gods people of the last days", and what His church should or shouldn't be teaching;

*Revelation 22:*

<sup>6</sup> *And he said unto me, These sayings are faithful and true: and the Lord God of the holy prophets sent his angel to shew unto his servants the things which must shortly be done.*

<sup>7</sup> *Behold, I come quickly: blessed is he that keepeth the sayings of the prophecy of this book.*

<sup>8</sup> *And I John saw these things, and heard them. And when I had heard and seen, I fell down to worship before the feet of the angel which shewed me these things.*

<sup>9</sup> *Then saith he unto me, See thou do it not: for I am thy fellowservant, and of thy brethren the prophets, and of them which keep the sayings of this book: worship God.*

<sup>10</sup> *And he saith unto me, Seal not the sayings of the prophecy of this book: for the time is at hand.*

<sup>11</sup> *He that is unjust, let him be unjust still: and he which is filthy, let him be filthy still: and he that is righteous, let him be righteous still: and he that is holy, let him be holy still.*

<sup>12</sup> *And, behold, I come quickly; and my reward is with me, to give every man according as his work shall be.*

<sup>13</sup> *I am Alpha and Omega, the beginning and the end, the first and the last.*

<sup>14</sup> *Blessed are they that do his commandments, that they may have right to the tree of life, and may enter in through the gates into the city.*

<sup>15</sup> *For without are dogs, and sorcerers, and whoremongers, and murderers, and idolaters, and whosoever loveth and maketh a lie.*

<sup>16</sup> *I Jesus have sent mine angel to testify unto you these things in the churches. I am the root and the offspring of David, and the bright and morning star.*

<sup>17</sup> *And the Spirit and the bride say, Come. And let him that heareth say, Come. And let him that is athirst come. And whosoever will, let him take the water of life freely.*

<sup>18</sup> *For I testify unto every man that heareth the words of the prophecy of this book, If any man shall add unto these things, God shall add unto him the plagues that are written in this book:*

*And if any man shall take away from the words of the book of this prophecy, God shall take away his part out of the book of life, and out of the holy city, and from the things which are written in this book.*

<sup>20</sup> *He which testifieth these things saith, Surely I come quickly. Amen. Even so, come, Lord Jesus.*

<sup>21</sup> *The grace of our Lord Jesus Christ be with you all. Amen.*

Before we are through here, by just looking at three chapters of [Revelation 12, 14, 22](#), of the prophecies we are to know, and not take out of His Bible [vs.10 & 19](#) above tells us, thus out of our religion, right?

From the three chapters I mentioned above we are going to discover “only one” religion still teach these messages since 1844AD, and have “the testimony of Christ”, and still is keeping His “Covenant” S-Abba-th “that cannot be misinterpreted” for not one dotting of an “i” or crossing of a “t” Christ said shall be removed from it as well as the others ([Matthew 5:17-48](#)), nor altered by changing its day of the week preserved by God Himself thru His prophets, and not the prophets of the Roman Catholic church who; by substituting merely the day of the week of the Covenant, and this change was made by her “as a mark of her power” way back in the early years of her existence. (Appendix “Rome’s challenge”), and as we all know by now “all 99.99% of the protestant churches even including the heads of other religions as we saw, have rallied around her today, and have taken on her doctrines, traditions and her worship, and thus turning their power over to her, and billions have been deceived unknowingly, but an end time message is going into all the world here in the end as John was shown ([Rev. 14:6-12-14](#)) and those as described therein will either hear or not, accept or not Gods message and “their description matches their decision”, right?

The three chapters I mentioned above including [chapter 13](#) from Revelation tell us the story “by predicting through prophecy all of her (the beast) accomplishments, most of which are bad when it comes to the church (Gentiles) who were supposed to have the “Testimony of Christ, and keep (and of course teach and preach) Gods Ten Commandments including the S-Abba-th as described “His remnant church was seen doing by John as the Lord showed him and usward”.

I have broken down these chapters so that it can be seen clearly these charges are true and not some individual or some churches made up theology, but the theology of “prophecy”, the one all the churches have fulfilled as has their mother “in one way or the other”. (See [www.theuniversalreligion.com](http://www.theuniversalreligion.com) “We Look Like God”)

I have presented unarguable prophecy given 600 years before the Messiah came on the scene, in which that prophecy didn’t meet its fulfillment until after His death and resurrection, and that prophecy (2300 day/year) predicted not only His arrival date to the very hour of the cross, but also, the religious and political powers that followed in Rome’s footsteps and became the Beasts of Daniel and Revelation down to the abomination of desolation, and like I said; it will amaze you how God predicted the future even before it happened with great detail, and likewise even the churches will soon discover their own disappointment in not knowing Prophecy, and could, and will suffer the eternal loss because of it, remember Paul’s warning [II Thessalonians 2](#). It’s all true stick with me and see if you agree, if not at least input it, because you might need it later when these final day prophecies begin to fulfill around you, as a hedge against deception.

## Resource for following

The question is, would a person of the stature, knowledge and intelligence of Prophet Muhammad, ﷺ, proceed to propound a new religion and challenge the credibility of both the prevailing systems of Judaism and Christianity only on the basis of hearsay and superficial knowledge of them, as suggested by Orientalists?

The Orientalists are not consistent in their allegation that:

- The Prophet, ﷺ, was ambitious and therefore careful enough to avoid the political implications of embracing either Judaism or Christianity
- He was careless enough to institute a new religion based on information picked up from bazaar gossips and Jewish storytellers at wine shops.

### **Monotheistic Judeo-Christian Influence**

It is naïve to say that Islam is blend of second-hand information about Judaism and Christianity with an inkling of Arab elements in it. It is absurd to suggest that the Prophet, ﷺ, was cognizant of the two religious systems.

The concept of prophethood, the memory of Ibraaheem (Abraham), may Allah exalt his mention, as a prophet and founder of the Ka`bah, which the Arabs universally cherished, as well as the rites of Hajj (pilgrimage to the Ka`bah) instituted by Ibraaheem, may Allah exalt his mention, were unquestionably from before the time of Jews and Christians. Pre-Islamic Arabs, independent of any Jewish or Christian influence, knew the concept of Allah as the supreme God. The teachings of Ibraaheem, may Allah exalt his mention, found haven in Arabia long before the arrival of Judaism or Christianity and the Arabs were already acquainted with the word '*Haneef*' as the worshipper of One God.

The Prophet, ﷺ, accused the contemporary Arabs, Jews and Christians of having deviated from the original teachings of their prophets and of having degenerated into polytheism. He also rejected what they claimed to be the teachings of their scriptures. So he cannot be misconstrued as having conceived the idea of monotheism from the Judeo-Christian influence.

The Quran does not maintain that it is teaching a new religion. Instead it upholds and revives the original teachings God has given through all Prophets of all nations. It claims that its teachings are the same as that of Ibraaheem (Abraham), Moosaa (Moses) and 'Eesaa (Jesus), may Allah exalt their mention, and speaks about all of them in glowing terms. Since every Orientalist agrees on the fact that Prophet Muhammad, ﷺ, has not read any of the scriptures, therefore, his source of knowledge must be something else.

# DEAD SEA SCROLLS PROLOG

When the dead sea scrolls were being compiled from the ancient manuscripts, and then put in the caves, those scrolls were not opened till 1947, and they contained the Old Testament books of the Bible including the book of Daniel “which contained the history of the political/religio world” and the empires that would come on the scene one after the other. We saw the fall of the Grecian’s to Rome in 68 BC, and then Rome as God said; that last of the world dominating empires was divided into 10 kingdoms, and out of those ten Kingdoms would come a little political power, but, in religious terms a “major power” who according to God would think to change Gods time and laws ([Daniel 7:25](#)) and speak blasphemies against God and claim to sit on His throne forgiving sins (which only Christ can do) not worldly priest and especially “not Mary”, and we see this power take in all of the religious world who “will” follow her in the end. ([Rev. 13:3](#))

Those Dead Sea Scrolls also contained the greatest of all prophecies (2300 Day/year) that predicted (in years of future history we can count ‘reckon’ as did Sir Isaac Newton) telling the world of the very year of the Messiahs crucifixion, as well as the beginning of the final judgment process in heaven (1844AD) determining who will live forever and who will die forever never to live again, but not, let me add, not in “the fictitious fires of hell” (which are not Biblical) but come from the imagination of the mother church to gain control of souls and churches who have accepted her traditions of the many and to get her Dark Age power back.

That book also predicted that when she did get her power back she will genocide again as she did the three nations in the Dark Ages God predicted would be done by the mother church, and all the religious world will follow

her or pay the price of death “as heretics”, as not acceptable unless they convert to her religion, and since she deems them lost already, she, as gods advocate (arm) on this earth “has the right to take their lives”, and the protestant churches will agree. This is Gods predictions, written years in advance, and “confirmed by the Dead Sea scrolls”, and today we see them playing out just as God said they would, or do we?

The point is; when the dead sea scrolls were hidden in 200 BC none of these events had happened they were just prophecy no one could even imagine would happen, (and remember the book of Daniel was closed and Revelations without that book was hard to understand till 1844AD), but they happened did just as God foretold, and when they were discovered in 1947 AD some 2000+ years later those prophetic events were then “history already accomplished” for the most point, just as God said it would unfold and continue to unfold to the end.

Begging then the question to you and me;

“What about the other aspects of prophecy Newton discovered, Luther knew, and those events concerning the future church and what it should look like as we just read it’s description to be?”

If God predicted the future as far back as in Eden about the Messiah to come, and then told us in 600 BC exactly when He would appear in time and future history, then I ask; “Why is it the church today doesn’t believe the World was created by God in Six days as He described it to have been, and that every living thing was created as an adult capable of bearing offspring of itself, “in like kind”, both plant, animal and man! (Check it out its true 99% of the main stream religions follow after the mother churches teaching that god (not the Biblical God) used the evolution route to create, and don’t give me this micro/macro stuff).

Why is it we can't accept that the history we have been handed by God, and preserved by God, has proven itself over and over "beyond a shadow of a doubt", and that "He has always kept His Word in tact to this very day" through His prophets, and what He has said about the past is truth, and what He says about the future will come to be "just as it always has!"

If the Dead Sea Scrolls have told us anything it is;

"God Hid those writings, from ancient times having been passed down and kept "as sacred scripture" by His chosen people who did so religiously, and He (God) kept them from being destroyed even by hiding them during the Dark ages (1260 years) as well hid His remnant church who "kept His Sacred Covenant (being the Ten Commandments) including "HIS" S-"Abba"-th, who had also, and will have to the end, the same faith of Jesus and His testimony (which is the Spirit of prophecy [Rev 19:10](#)).

If He told us these things through prophecy, and through His preserved word as cannoned in the Bible (Protestant Bible not vulgate or paraphrased and not man interpreted) but His Bible (KJV) available worldwide as the most copied book forever, then why is it we can't believe it's all true, literal and it answers our greatest and most burning questions that we have been seeking, and that includes all of us, who think anyway, it answers them unequivocally

"Where it is we come from,  
we who are conscious beings,  
and where are we going  
after death if anywhere."

We launch billions of dollars out into space and we spend trillions of dollars trying to discover hope beyond death, when, my friend "it's always been right under the nose of our face", and given to us by our "Creator who; can re-

create us into His Image and His likeness which we were created to be”, and then, and only then, “we can be fit to live in **His world**”. A world we can only fabricate by fiction; as a world where love and goodness prevails in all people (by choice-big point), and death and sickness and sin is nonexistent.

This is what scares us though, and that is;

“He might ask us to live like that now” and we want our freedom even if it’s only momentary, and it is my friend; in the perspective of the 60 to 100 years we live naturally, and without God, even with evolution as our hope “darkness of the grave is our only hope”.

Sure we fabricate movies and scenarios and fictitious religious dreams given us by false spirits, false prophets, even religion itself that pretend to offer us some hope beyond death, but only the God of the Bible has proven Himself over the years and that “through prophecy”.

If only we would listen and learn....

I’ve added the following footnote for all you so called religious who think you know God, but you only know what your priest, preacher, Rabi, Cleric or whatever they call themselves has taught you, but, “Gods teachings” are found only in His Book, as we have proven, beyond a shadow of a doubt to repeat myself, and here is just a glimpse of one of those “teachings” derived from a simple study by one who wants to live forever and seeks to do so. Is that you, or are you holding on to some man’s theology or theoretical apron strings, or to some failed philosophy that has no future save speculation based on nothing but ideas or ideals with no real proven bases.

I implore you, please, look to God for answers and you will find them for He has been more than predictive Mr. Nye....

## PROPHETs and PROPHECY

Of the three major religions that speak of Jesus; Roman Catholic, Protestants and Muslim, each regard Him as a prophet.

But what did the witnesses in His day say about Him, men who were connected closely to Him, what did they record regarding the past prophets and their lineage He followed after, and what does all this mean “to us down here in our generation post Jesus”? (Last generation [Matthew 24:34](#))

*Acts 3:*

<sup>18</sup> *But those things, which God before had shewed by the mouth of all his prophets, that Christ should suffer, he hath so fulfilled. ([Matthew 5:17](#))*

<sup>19</sup> *Repent ye therefore, and be converted, that your sins may be blotted out, when the times of refreshing shall come from the presence of the Lord.*

We are talking future here “for us” should we live to be in His presence when He comes again to destroy and recreate the earth as it was in the beginning ([Rev. 21:1](#)- )!

<sup>20</sup> *And he shall send Jesus Christ, which before was preached unto you:*

<sup>21</sup> *Whom the heaven must receive until the times of restitution of all things, which God hath spoken by the mouth of all his holy prophets since the world began.*

Since when?

<sup>22</sup> *For Moses truly said unto the fathers, A prophet shall the Lord your God raise up unto you of your brethren, like unto me; him shall ye hear in all things whatsoever he shall say unto you.*

<sup>23</sup> *And it shall come to pass, that every soul, which will not hear that prophet, shall be destroyed from among the people.*

Strong language given as a warning to our generation disregarding any race or religion ([Romans 2:1-6](#), [7-11](#), [12&13](#)) thus;

The Bible's "book of Revelation", especially **the last chapter**, a book of final Words from "God" ([Rev 1:1](#), [2-3](#)) which was sent down to us by "Jesus" Christ, spells out **our** "last days" salvation issues, especially in the last chapter, as well as tells us (identifies for us) just who God's end time last days people are and what their work is;

*Revelation 22:*

<sup>6</sup> *And he said unto me, These sayings are faithful and true: and the Lord God of the holy prophets sent his angel to shew unto his servants the things which must shortly be done.*

<sup>7</sup> *Behold, I come quickly: blessed is he that keepeth the sayings of the prophecy of this book.*

<sup>8</sup> *And I John saw these things, and heard them. And when I had heard and seen, I fell down to worship before the feet of the angel which shewed me these things.*

<sup>9</sup> *Then saith he unto me, See thou do it not: for I am thy fellowservant, and of thy brethren the prophets, and of them which keep the sayings of this book: worship God.*

<sup>10</sup> *And he saith unto me, Seal not the sayings of the prophecy of this book: for the time is at hand.*

<sup>11</sup> *He that is unjust, let him be unjust still: and he which is filthy, let him be filthy still: and he that is righteous, let him be righteous still: and he that is holy, let him be holy still.*

<sup>12</sup> *And, behold, I come quickly; and my reward is with me, to give every man according as his work shall be.*

<sup>13</sup> *I am Alpha and Omega, the beginning and the end, the first and the last.*

<sup>14</sup> *Blessed are they that do his commandments, that they may have right to the tree of life, and may enter in through the gates into the city.*

Obviously this describes God people in contrast to those who are not as follows outside the city denied access([Rev. 20:9](#)), notice too; the truth is important to God (see also [II Thessalonians 2:1-12](#) on truth issue)

<sup>15</sup> *For without are dogs, and sorcerers, and whoremongers, and murderers, and idolaters, and whosoever loveth and maketh a lie.*

Did you notice “their description dictates their reward”, and please notice; they don’t receive their reward (of eternal life) at death but, “at the second coming”, just the opposite as the deceived falsely teach.

Continuing on with Acts 3 and its concluding issues that definitely affect us as we have seen and I pray have taken seriously, we will start again “for context”;

*Acts 3:*

<sup>18</sup> *But those things, which God before had shewed by the mouth of all his prophets, that Christ should suffer, he hath so fulfilled. ([Matthew 5:17](#))*

<sup>19</sup> *Repent ye therefore, and be converted, that your sins may be blotted out, when the times of refreshing shall come from the presence of the Lord.*

<sup>20</sup> *And he shall send Jesus Christ, which before was preached unto you:*

<sup>21</sup> *Whom the heaven must receive until the times of restitution of all things, which God hath spoken by the mouth of all his holy prophets since the world began.*

<sup>22</sup> *For Moses truly said unto the fathers, A prophet shall the Lord your God raise up unto you of your brethren, like unto me; him shall ye hear in all things whatsoever he shall say unto you.*

<sup>23</sup> ***And it shall come to pass, that every soul, which will not hear that prophet, shall be destroyed from among the people.***

<sup>24</sup> *Yea, and all the prophets from Samuel and those that follow after, as many as have spoken, have likewise foretold of these days.*

<sup>25</sup> ***Ye are the children of the prophets, and of the **Covenant** which God made with our fathers, saying unto Abraham, And in thy seed shall all the kindreds of the earth be blessed.***

The deceived churches today teach:

“The messages of Revelation was for the Jews, as is all the Old Testament, it’s not for the born again/new covenant saved Christians, who can’t be lost as long as they believe”.

However, that’s not what this text in Acts tells us, because “[vs.19](#)” puts “the implications made” as last day information for us, who are in the final battle over sin, so that we will be able to stand in the presence of the Lord Jesus Christ who is coming in the Shekinah Glory of the Father “which destroys sin and willful sinners “naturally” from His presence ( sin being Biblically defined

in [I John3:4](#) and Law=Covenant) just pointing that out, as we move on we will see how this fits.

Get this then;

Since all three religions accept father Abraham as their lineage, (see this in depth [www.theuniversalreligion.com](http://www.theuniversalreligion.com) ) this means we are these children of the prophets of [vs. 25](#) above, meaning then all this applies to all three religions, and of the Covenant (old and new “and we better understand the difference”), “there is no difference” same Law/same Covenant but now, post the prophet Jesus, this same Covenant will be placed in us by **HIM**, ([Hebrews 8:9-10](#)), thus, God has called all of “us” by virtue of the above text alone if nothing else in scripture to us this truth, but this my friend is the Gospel theme; “obey and live disobey and die and Jesus past and present wants to help us live, always has ([Deut. Chapters 30, 5&6](#)), it’s that black and white, how much clearer can the Bible as a whole be? (Remember [Rev.22:14](#))

Mohamad called Jesus rightfully a prophet, enough said.

The Roman Catholic Church, accept Jesus as a prophet yes, but they have their own so called prophets and priests, even the so claimed “Vicar of god on earth” the Pope, but the first one cannot be Peter, why? **“Because of this text”** speaking of Gods people as people of the Covenant, particularly because of the 7<sup>th</sup> day S-Abba-th that God Set but, they have changed to the first thus breaching one of Gods commandments, being His heart’s desire we discovered, but if we willfully ([Hebrews 10:26-29](#)) deny Him His worship even our prayers are an abomination, its true. ([Proverbs 28:9](#))

James is perfectly clear on this subject of Gods Law=Covenant=(10 Commandments being the Covenant inside the ark of the Covenant), and there is no argument with this, save throwing James gospel out of the

cannoned Bible, along with Matthew, including all of Johns writings, and especially Revelations despite the Lords warnings of doing so.

All these men including the beloved one, and the brother of Jesus, James, who wrote under the inspiration of the Holy Spirit “if we, (and that includes all mankind, all religions and especially the big three “Abrahamic” religions), if we or if anyone breaks even one Covenant, or changes or omits even one letter or number of any commandment, they’ve broken them all” and the context is obvious what commandments, ([James 2:10-14](#)) what works and Law James is speaking of.

And Christ predicted “as the prophet HE was”, that not one jot or tittle shall be [removed](#) (obviously by Him or anyone associated with Him or His our Father) nothing will be removed from Gods Law “until heaven and earth pass” that doesn’t happen till He comes again, we [read](#), and not only that, but when the Lord made the law, He said it was to last for 1000 [generations](#) and friend, that’s like saying forever so to speak.

Just saying.....
